Mission

Under the lordship of Jesus Christ, the mission of The Southern Baptist Theological Seminary is to be totally committed to the Bible as the Word of God, to the Great Commission as our mandate, and to be a servant of the churches of the Southern Baptist Convention by training, educating, and preparing ministers of the gospel for more faithful service.
Theological education is serious business. The task of training, educating, and preparing ministers of the gospel is an incredible stewardship invested in Southern Seminary by the churches. Without apology, we serve the church of the Lord Jesus Christ and aim to fulfill this purpose so that generations to come will have an even more faithful and effective ministry.

Only God can make a minister. That fundamental fact frames our responsibility; for humility necessitates our understanding that Southern Seminary does not make ministers. Nevertheless, God makes ministers through the crucible of learning, study, prayer, and experience. Southern Seminary combines all of these elements in a comprehensive program of theological education that combines unquestioned academic excellence with practical application.

You should know that Southern Seminary is unfailingly serious about theological education that is genuinely theological. We are a confessional institution that stands without compromise upon the faith once for all delivered to the saints. The absolute truthfulness and authority of the Word of God are foundational to our programs of study, and you can be certain that theological faithfulness and doctrinal integrity are hallmarks of a Southern Seminary education.

This institution is more than 150 years old. Over the past 15 decades, many fads and movements have come and gone; but the steady determination to educate ministers of the gospel remains our central focus. Southern Seminary stands as a servant institution to the church of the Lord Jesus Christ, and our eyes are on the mission fields of the world and the frontlines of ministry all around the globe.

Southern Seminary’s faculty is unparalleled in the evangelical world. Here you will find consecrated Christian scholars whose commitment to the gospel, to the church, and to the Lord Jesus Christ is translated into their love for students and the task of teaching.

Our ambition is to shape the minister in every dimension—heart, soul, mind, and the application of all ministry in the spirit of Christ. To that end, we offer comprehensive academic degrees ranging from baccalaureate to doctoral programs. Standing at the center of every aspect of the curriculum is a steadfast commitment to biblical truth, to excellence in ministry, and to the honorable service to the church of our Lord Jesus Christ. The schools of The Southern Baptist Theological Seminary share this common vision, this glorious task, and this priceless stewardship.

Our institutional motto says it all—“For the truth, for the church, for the world, for the glory of God.” The glory of God is the beginning and end of all things, and ultimately our prayer is that God is glorified in all we do, in all we teach, and in all those who graduate from The Southern Baptist Theological Seminary.

Abstract of Principles
When the original charter of The Southern Baptist Theological Seminary was adopted in 1858, it contained the following statement which continues as a part of the “fundamental laws.”

Every professor of the institution shall be a member of a regular Baptist church; and all persons accepting professorships in this seminary shall be considered, by such acceptance, as engaging to teach in accordance with, and not contrary to, the Abstract of Principles hereinafter laid down, a departure from which principles on his part shall be considered grounds for his resignation or removal by the Trustees, to wit:

I. The Scriptures
The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith and obedience.

II. God
There is but one God, the Maker, Preserver and Ruler of all things, having in and of Himself, all perfections, and being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience.

III. The Trinity
God is revealed to us as Father, Son and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being.

IV. Providence
God from eternity, decrees or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not in any wise to be the author or approver of sin nor to destroy the free will and responsibility of intelligent creatures.

V. Election
Election is God’s eternal choice of some persons unto everlasting life—not because of foreseen merit in them, but of His mere mercy in Christ—in consequence of which choice they are called, justified and glorified.

VI. The Fall of Man
God originally created Man in His own image, and free from sin; but, through the temptation of Satan, he transgressed the command of God, and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and wholly opposed to God and His law, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

VII. The Mediator
Jesus Christ, the only begotten Son of God, is the divinely appointed mediator between God and man. Having taken upon Himself human nature, yet without sin, He perfectly fulfilled the law; suffered and died upon the cross for the salvation of sinners. He was buried, and rose again the third day, and ascended to His Father, at whose right hand He ever liveth to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the Universe.

VIII. Regeneration
Regeneration is a change of heart, wrought by the Holy Spirit, who quickeneth the dead in trespasses and sins enlightening their minds spiritually and savingly to understand the Word of God, and renewing their whole nature, so that they love and practice holiness. It is a work of God’s free and special grace alone.

IX. Repentance
Repentance is an evangelical grace, wherein a person being by the Holy Spirit, made sensible of the manifold evil of his sin, humbleth himself for it, with godly sorrow, detestation of it, and self-abhorrence, with a purpose and endeavor to walk before God so as to please Him in all things.

X. Faith
Saving faith is the belief, on God’s authority, of whatsoever is revealed in His Word concerning Christ; accepting and resting upon Him alone for justification and eternal life. It is wrought in the heart by the Holy Spirit, and is accompanied by all other saving graces, and leads to a life of holiness.

XI. Justification
Justification is God’s gracious and full acquittal of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made; not for anything wrought in them or done by them; but on account of the obedience and satisfaction of Christ, they receiving and resting on Him and His righteousness by faith.
XII. Sanctification
Those who have been regenerated are also sanctified by God's word and Spirit dwelling in them. This sanctification is progressive through the supply of Divine strength, which all saints seek to obtain, pressing after a heavenly life in cordial obedience to all Christ's commands.

XIII. Perseverance of the Saints
Those whom God hath accepted in the Beloved, and sanctified by His Spirit, will never totally nor finally fall away from the state of grace, but shall certainly persevere to the end; and though they may fall through neglect and temptation, into sin, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the Church, and temporal judgments on themselves, yet they shall be renewed again unto repentance, and be kept by the power of God through faith unto salvation.

XIV. The Church
The Lord Jesus is the head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to His commandment, Christians are to associate themselves into particular societies or churches; and to each of these churches He hath given needful authority for administering that order, discipline and worship which He hath appointed. The regular officers of a Church are Bishops or Elders, and Deacons.

XV. Baptism
Baptism is an ordinance of the Lord Jesus, obligatory upon every believer, wherein he is immersed in water in the name of the Father, and the Son, and of the Holy Spirit, as a sign of his fellowship with the death and resurrection of Christ, of remission of sins, and of giving himself up to God, to live and walk in newness of life. It is prerequisite to church fellowship, and to participation in the Lord's Supper.

XVI. The Lord's Supper
The Lord's Supper is an ordinance of Jesus Christ, to be administered with the elements of bread and wine, and to be observed by His churches till the end of the world. It is in no sense a sacrifice, but is designed to commemorate His death, to confirm the faith and other graces of Christians, and to be a bond, pledge and renewal of their communion with Him, and of their church fellowship.

XVII. The Lord's Day
The Lord's Day is a Christian institution for regular observance, and should be employed in exercises of worship and spiritual devotion, both public and private, resting from worldly employments and amusements, works of necessity and mercy only excepted.

XVIII. Liberty of Conscience
God alone is Lord of the conscience; and He hath left it free from the doctrines and commandments of men, which are in anything contrary to His word, or not contained in it. Civil magistrates being ordained of God, subjection in all lawful things commanded by them ought to be yielded by us in the Lord, not only for wrath, but also for conscience sake.

XIX. The Resurrection
The bodies of men after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked, to be reserved under darkness to the judgment. At the last day, the bodies of all the dead, both just and unjust, will be raised.

XX. The Judgment
God hath appointed a day, wherein He will judge the world by Jesus Christ, when every one shall receive according to his deeds; the wicked shall go into everlasting punishment; the righteous, into everlasting life.

The Baptist Faith and Message
Report of the Baptist Faith and Message Study Committee to the Southern Baptist Convention June 14, 2000

The 1999 session of the Southern Baptist Convention, meeting in Atlanta, Georgia, adopted the following motion addressed to the President of the Convention:

“I move that in your capacity as Southern Baptist Convention chairman, you appoint a blue ribbon committee to review the Baptist Faith and Message statement with the responsibility to report and bring any recommendations to this meeting next June in Orlando.”

President Paige Patterson appointed the committee as follows: Max Barnett (OK), Steve Gaines (AL), Susie Hawkins (TX), Rudy A. Hernandez (TX), Charles S. Kelley, Jr. (LA), Heather King (IN), Richard D. Land (TN), Fred Luter (LA), R. Albert Mohler, Jr. (KY), T. C. Pinckney (VA), Nelson Price (GA), Adrian Rogers (TN), Roger Spradlin (CA), Simon Tsoi (AZ), Jerry Vines (FL). Adrian Rogers (TN) was appointed chairman.

Your committee thus constituted begs leave to present its report as follows:

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility
of guarding the treasury of truth that has been entrusted to us [II Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on “The Family” in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, “revised at certain points and with some additional articles growing out of certain needs . . . .” We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 “statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life . . . .” It is, therefore, quoted in full as a part of this report to the Convention:

1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Saviour and Lord.

2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the “certain needs” of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is “the Way, the Truth, and the Life.”

The 1963 committee rightly sought to identify and affirm “certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified.” Our living faith is established upon eternal truths. “Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us.”

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal
A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exhals Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.
D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerate, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by the Word of God, exercising gifts, and rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its spiritual officers are pastors and deacons. While both men and women are qualified for service in the church, the office of pastor is limited to men as qualified by Scripture. The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and people, and nation.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer’s faith in a crucified, buried, and risen Saviour, the believer’s death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper. The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth.

The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other
methods in harmony with the gospel of Christ.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deuteronomy 4:15,9,14; 6:1-10; 31:12-13; Nehemiah 8:1,8; Job 28:28; Psalms 19:7-11; Proverbs 3:13ff; 4:1-10; 8:1-7,11; 15:14; Ecclesiastes 7:10; Matthew 5:2; 7:24ff; 18:19-20; Luke 2:40; 1 Corinthians 1:18-31; Ephesians 4:11-16; Philippians 4:8; Colossians 2:3-8,9; 1 Timothy 1:3-7; 2 Timothy 2:15; 3:14-17; Hebrews 5:12-6:3; James 1:5; 5:17.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the orphaned and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XVIII. The Family
God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God’s unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God’s image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself gracefully to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God’s pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Historical Sketch
Enrolling more than 4,000 students annually, The Southern Baptist Theological Seminary ranks as one of the largest seminaries in the world. Students come from nearly every state and dozens of countries to experience Southern’s diverse curricular offerings, practical ministerial preparation, and premier academic environment.

Southern Seminary has been an innovator in theological education since its founding in 1859 in Greenville, South Carolina. The school’s pioneering legacy began in the visionary mind of James P. Boyce, the school’s first president. Boyce dreamed of a school that would accept all God-called individuals for study regardless of their educational background. At the same time, Boyce also envisioned a seminary that would offer students the highest degree of academic preparation.

Boyce’s idea of open enrollment was a virtual revolution in theological education. Other seminaries of that day would accept only college graduates who were trained in the classics. Yet Boyce knew that the leadership needs of Southern Baptist churches were so great that such pre-seminary training could not be required of all students in the new school. On the other hand, he realized that the Southern Baptist Convention needed an institution that challenged and nurtured the brightest minds of the denomination.

Boyce’s bold initiative took root in humble circumstances. Southern Baptists’ first seminary began offering classes on October 3, 1859, in a borrowed building with 26 students and 4 professors — Boyce, John A. Broadus, Basil Manly, Jr., and William Williams. The early faculty brought untiring commitment and sterling academic credentials to their duties. They held degrees from schools such as Princeton, Brown, Harvard, and the University of Virginia.

The best efforts of Boyce and his faculty, however, could not shield the school from the ravaging effects of the Civil War. The war’s turmoil prompted the school to suspend operations in 1862.

At the war’s end, the seminary had no guarantee that it could resume classes. The school’s faculty and students were scattered and what remained of its endowment was in worthless Confederate bonds. The economy of the South was in ruins, and likewise, Southern Baptist churches were suffering tremendous financial distress. Thus the school faced a more daunting challenge than at its founding. Amid these circumstances, the faculty gathered to determine the school’s future. In that meeting, Broadus, who would become the seminary’s second president, uttered his now famous words: “Let us quietly agree that the seminary may die; but that we will die first.”

In order for the school to regain its financial footing, trustees and faculty realized the seminary must find a new location outside the war-torn economy of the Deep South. While several cities vied for the honor of hosting the fledgling Baptist institution, the clear choice was the bustling river city of Louisville, Kentucky. In addition to a vibrant economy, the city’s strong Baptist churches and civic leadership had promised financial support and other assistance. Louisvillians who promised and later delivered substantial aid to the seminary included two brothers, George and W. F. Norton.

In 1877 the seminary made the move to Louisville and began offering classes in rented space in the city’s public library building. Three years later the seminary gained its first measure of financial security with a large gift from Joseph Emerson Brown, a former governor of Georgia. Due to the generosity of John D. Rockefeller and other New York Baptists, the seminary in 1888 constructed its own building at the corner of Fifth and Broadway in downtown Louisville.

By the mid-1890’s, the original founding faculty had died. Their dream for superb theological education, however, continued to live at Southern Seminary. Southern became one of the first seminaries in the nation to offer the Doctor of Philosophy degree in 1894. Near the turn of the century, Southern became the first American institution to establish a department of comparative religions and missions. In 1906 Southern inaugurated the nation’s first seminary program of study in religious education. This program later became
a school of the seminary and is now part of the Billy Graham School of Missions, Evangelism and Ministry, formed in August 2013.

Southern moved to its current campus on Lexington Road, five miles east of downtown Louisville, in 1926. From this picturesque setting, Southern has continued its ground-breaking educational legacy. The seminary launched a School of Church Music in 1944 that has grown to be one of the largest and most prestigious schools of its kind. In keeping with the vision of Boyce, the seminary founded Boyce Bible School in 1974, which is a division of the seminary exclusively designed to provide ministerial training for people without college degrees. In 1998, this undergraduate school of the seminary was transformed and began offering fully accredited bachelor degrees. The Billy Graham School of Missions, Evangelism and Church Growth was inaugurated in 1994. It is the only school world-renowned evangelist Billy Graham ever allowed to carry his name. Now combined with the Church Ministries program, the Billy Graham School provides a platform for Great Commission studies.

In recent years, evidence that the seminary was fulfilling the founding president’s desire for excellence was furnished through a study by the American Council of Learned Societies. That study ranked Southern Seminary with Harvard, Yale, Princeton, and Chicago as one of the sixteen outstanding graduate programs in religion in the nation.

The seminary’s history has not been without controversy. Two distinguished professors of the nineteenth century, Crawford Toy and William Whitsitt (who was also the seminary’s president), were forced to resign for presenting concepts considered too radical for their times. The fundamentalist-modernist controversies that produced strife in many denominations and institutions in the early twentieth century have not ceased to create friction between Southern Seminary and its critics.

Because Southern Seminary is an institution for theological education, it finds its identity ultimately in relationship to God. Southern Seminary exists to train, educate, and prepare ministers of the gospel for more faithful service, a mission carefully defined in its essence but evolving in its implications.

Southern has over 18,000 alumni who serve in all 50 states and 80 foreign nations. Primarily, they serve as ministers of Southern Baptist churches and as missionaries throughout the world. Alumni also include college and university presidents, several former presidents of the Southern Baptist Convention, and leaders at other evangelical institutions. For students past and present, their preparation has been underscored by a school with a heritage of innovation and excellence.

But that preparation is rooted in the tradition of faith and commitment that brought this institution into being and which has sustained Southern Seminary from its founding to the twenty-first century.

Academic Programs
Throughout its history, Southern Seminary has maintained the unitary purpose of preparing students for Christian ministry. As the Southern Baptist Convention has grown in both size and areas of ministry, new needs in ministerial education have arisen. The seminary has responded to these needs by reworking existing academic programs and creating new degrees and opportunities for curricular specialization.

The seminary currently has three schools:
- School of Theology
- Billy Graham School of Missions, Evangelism and Ministry
- Boyce College

Boyce College offers an associate degree and two baccalaureate degrees. The other schools of the seminary offer diploma programs, for which an undergraduate degree is not an entrance requirement, and several degree programs. The degree programs are divided into two categories: master’s (professional) level programs entered on the basis of a bachelor’s degree, and doctoral (professional and research) level programs entered on the basis of a seminary professional degree.

**Visiting Scholar Program**
The Visiting Scholar Program is designed for mature scholars who have already obtained a Ph.D. degree or A.B.D. status and are seeking to thoroughly engage in research for a maximum of two consecutive semesters. Visiting scholars are free to pursue specialized interests by using the library facilities and consulting with professors and professional peers. Visiting Scholars are welcome to be involved in a variety of aspects of the Ph.D. experience such as the 1892 Club, and they may request permission to attend departmental colloquium.

An application for the Visiting Scholar Program can be obtained online at www.sbts.edu. The Admissions Office processes applications, and approval is granted by the Research Doctoral Studies Office. Reservations for campus housing are made through the Legacy Center, 502-736-0600.

Regarding international eligibility, SBTS is not authorized by the Immigration Service (USCIS) to accept international visiting scholars with J-1 Exchange Visitor visas as instructors, researchers, or as students seeking special (non-degree) student status, either full or part time.

International applicants for specialized study should contact the Center for Student Success at SBTS to determine legal parameters.
The Southern Baptist Theological Seminary is comprised of three separate schools—an undergraduate college and two premier graduate schools. The School of Theology, the founding school of the institution, specializes in classic studies for ministry and scholarship, such as Bible, Theology, Church History and Preaching.

The Billy Graham School of Missions, Evangelism and Ministry is the largest Great Commission school in the world, and is dedicated to training ministers and laypersons to fulfill the Great Commission (Matthew 28:18-20). It also prepares pastors and staff members for service in fields of education and church leadership.

*Proof of missionary appointment is required for students applying to the MATS for Intercultural Leadership Program only. When applying online, recommendations and autobiography can be completed through the online application.
Admission Requirement Descriptions:

- **Church/Pastoral Recommendation:** All applicants must receive official endorsement from the local church where they are a member. All applicants are expected to have maintained official church membership for a minimum of one year. Additional recommendations may be required for applicants not attending the church which holds their membership.

- **Recommendation Forms:** We suggest that a professor and business acquaintance each complete a recommendation form. Family members may not complete a recommendation form. Recommenders must have known the applicant for a minimum of one year. If for some reason recommendations do not reflect this kind of diversity, the Admissions Office may request additional recommendations. Research Doctoral applicants are encouraged to submit at least two academic recommendations.

- **Pastor/Leader Form:** This is a requirement for all MATS and MATSIL applicants. The Pastor/Leader Recommendation is submitted in lieu of the normal Church/Pastoral Recommendation and two Recommendation Forms. MATSIL applicants should have the Pastor/Leader recommendation filled out by the IMB. For further information, see the application instruction page or contact the Admissions office.

- **Spiritual Autobiography:** The Spiritual Autobiography consists of a description of your understanding of the gospel of Jesus Christ, conversion, spiritual growth, call to ministry and reason for choosing Southern Seminary. MATS applicants must indicate that they understand that the MATS degree is designed for laypersons only and not for those pursuing vocational ministry.

- **Academic Paper:** This is a requirement for Advanced Master of Divinity and all research doctoral applicants. Applicants are required to submit a writing sample from their undergraduate or seminary education, respectively. This requirement allows for proper analysis of an applicant’s writing and research abilities. Please submit an unmarked sample from your previous schooling. It should be a clean copy and may account for former professor’s editorial comments. The paper for the Advanced M.Div. and Doctoral programs should be 12-20 pages in length.

- **Official Transcripts:** Transcripts from all educational institutions in which a degree was conferred are required. Diploma applicants must submit an official copy of their high school diploma or the GED, unless the applicant has completed a minimum of 24 hours of college credit. The students (or applicants) must request that their official transcripts be submitted directly from the school to the Admissions office.

- **TOEFL:** A TOEFL exam is required of all international applicants whose native language is not English.
The Diploma Program

Admission Prerequisites:
• The Diploma Program is designed for candidates who have not completed or earned an accredited Bachelor’s degree. The student must give proof of high school graduation by submitting a high school transcript, General Educational Development (GED) transcript or equivalent. If the applicant has 24 or more college hours, a high school transcript or GED transcript is no longer required. Candidates must be over 30 years of age. Younger applicants are encouraged to complete an undergraduate degree prior to seminary or to apply to Boyce College, the undergraduate school of Southern Seminary.
• A minimum of one year of church membership.

Application Requirements:
• Please see the table and descriptions listed on pages 20-21.

International Applicants:
• For applicants whose native language is not English, an official score report of TOEFL (Test of English as a Foreign Language) with a minimum acceptable score of 83 (internet-based) or 220 (computer based) Scores may not be more than 3 years old.

Additional Information:
• Students in the Diploma Program within the School of Theology or Billy Graham School complete any of the M.Div. curricular concentrations with the exception of the Hebrew and Greek requirements.
• Any additional items requested by the Admissions Committee in order for the Committee to obtain a more in-depth profile of the applicant.

The Master’s Program (M.A., M.Div.)

Admission Prerequisites:
• Baccalaureate degree from a regionally accredited institution.
• A minimum college cumulative grade point average of 2.4 (on a 4.0 scale). Applicants with a college cumulative grade point average below 2.4 (on a 4.0 scale) may be accepted on academic probation on an individual basis.
• Music and Worship Degrees — Southern Seminary offers three graduate level degrees in the area of music and worship: Master of Divinity in Worship Leadership, Master of Arts in Worship Leadership and Master of Church Music. Students desiring to pursue the Master of Church Music degree should have a baccalaureate degree with a major in music from a regionally accredited institution. This degree must be approved by the National Association of Schools of Music (N.A.S.M). The Master of Divinity in Worship Leadership and Master of Arts in Worship Leadership do not require an undergraduate degree in music. All applicants entering music and worship degrees at Southern Seminary must take placement exams offered by the school at the beginning of graduate study. These exams evaluate knowledge and skill in music theory, sight singing, ear training, keyboard, voice and conducting. Students pursuing the Master of Church Music can expect additional testing in the areas of music theory, orchestration and music history. Students who show deficiencies in the placement exams will take some additional pre-graduate course work in the areas of their deficiency (music theory, aural skills, keyboard, etc.). These courses may be taken along side graduate level courses as long as the graduate level course does not rely on the particular skills the student is trying to improve through pre-graduate work. Students are expected to satisfy pre-graduate requirements dictated by the placement exams within the first year of study. Applicants with a less specialized course of study may provisionally enter the program and satisfactorily complete either placement examinations and auditions in music or accelerated pre-graduate studies in music theory, conducting, and applied major and minor areas. Study guides for the placement exams are available upon request by contacting the School of Church Ministries office.
• A minimum of one year of church membership.

Application Requirements:
• Please see the table and descriptions listed on pages 20-21.

International Applicants:
• International students must submit an official score report of TOEFL (Test of English as a Foreign Language) if English is not their native language. No score less than 83 (internet-based) or 220 (computer based) or older than 3 years is accepted.

Advanced Master of Divinity requirement:
• Applicants must submit an academic paper of 12-20 pages in length written during undergraduate study as a research and writing sample.

Additional Information:
• MATS students must indicate in their spiritual autobiography that they understand this degree is for laypersons only and they do not plan on serving in a pastoral or staff position. The only exception is the MATS for Intercultural Leadership. Students in the MATSIL are expected to be full time missionaries or candidates for appointment.
• Advanced M.Div. applicants must have a minimum of a 3.3 cumulative GPA on a 4.0 scale. Additionally, students must have completed at least 6 hours in: Old Testament Survey, New Testament Survey, Church History, and Systematic Theology. Only courses in which a grade of “B” or higher was achieved will be recognized. Other classes students should have completed on the undergraduate level include 3 hours in each of the following: Ethics, Philosophy, Hermeneutics, Preaching, Hebrew, and Greek. Under certain exceptions, students may be admitted into the Advanced M.Div. if they can complete these prerequisites within their first semester of enrollment.
• All students in Music degrees must go through Music
Placement Exams to determine their level of ability during orientation.
• Master of Arts in Missiology — Missions applicants must have declared a call to missions and must have approval of the school dean.
• Additional items may be requested by the Admissions Office as needed.

The Professional Doctoral Program (D.Min., D.Ed.Min.)
Applicants for Professional Doctoral Degrees will be considered on the basis of an overall profile rather than on a single, qualifying score.
Applicants will be evaluated in light of their academic record, performance on entrance examinations, personal aptitude, and motivation for graduate study. International applicants considering professional doctoral degree programs, should first contact the Center for Student Success to discuss the program’s special visa requirements.

Admission Prerequisites for the Doctor of Ministry:
• A Master of Divinity (M.Div.) or its equivalent from a regionally accredited or ATS accredited seminary. The M.Div. degree must include the minimum Hebrew and Greek required in the M.Div. program of Southern Seminary (at least 3 hours of one language at the elementary level and 3 hours of the other language at the intermediate level).

Admission Prerequisites for the Doctor of Educational Ministry:
• The Master of Arts in Christian Education (M.A.C.E.) or its equivalent is acceptable for some degrees within the Billy Graham School.
• A minimum master’s level cumulative grade point average of “B” (3.0 on a 4.0 scale). D.Min. applicants with a cumulative grade point average between 2.8 and 3.0 may be admitted on academic probation if they successfully complete all other application requirements, including any required standardized exam. Students admitted on probation whose work is not doctoral level after one semester, will not be permitted to continue in the program.
• In most cases, a minimum of three years of full-time ministry experience after graduating with an accredited theological master’s degree is required.

Application Requirements:
• Please see the table and descriptions listed on page 20-21.

Additional Requirements:
• A personal interview with the Director of Professional Doctoral Studies or a designated representative. The purpose of this interview is to provide insight into the applicant’s motivation for pursuing the degree and the applicant’s professional goals.
• A field essay related to the study area will be required of all applicants.

• A ministry resumé
• Additional writing samples may be required as needed by the program director.
• TOEFL: See International Applicant paragraph on pg 25.

All applicants for research doctoral programs will be evaluated on the basis of their previous academic record, performance on examinations, personal aptitude, and motivation for graduate study.

Admission Prerequisites:
• Master of Divinity or equivalent from a regionally accredited or ATS accredited seminary. The M.Div. degree must include the minimum Hebrew and Greek required in the M.Div. program of Southern Seminary (at least 3 hours of one language at the elementary level and 3 hours of the other language at the intermediate level).
• The Master of Arts in Christian Education (M.A.C.E.) or its equivalent is acceptable for the following Ph.D. programs: Higher Education, Christian Worship, and Leadership.

Students having earned a Master’s degree but lacking required hours may complete the additional hours through on-line or on-campus study at The Southern Baptist Theological Seminary.
• Master of Theology: For the Ministry Th.M. a minimum master’s level cumulative grade point average of 3.0 on a 4.0 scale. For the Research Th.M. a minimum master’s level cumulative grade point average of 3.3 on a 4.0 scale.
• Doctor of Education: A minimum master’s level cumulative grade point average of 3.3 on a 4.0 scale. Admission is competitive and a higher GPA is favored.

Admissions Acceptance Categories
• New — These are students who have completed the entire admissions process by submitting all required information and who have been approved into a degree program.
• Readmit — Students who miss two years or less of classes may contact Academic Records to reactivate their status. Students who miss more than two years of classes can contact the Admissions Office to see if additional materials are required before re-enrolling for classes.
• Non-Degree Student status — This is a non-degree classification for students who are in the process of applying but will be unable to complete the requirements before the start of the semester. Non-degree students must submit the application, application fee, Church/Pastoral Recommendation and spiritual autobiography in order to be admitted. Admittance as a non-degree student in no way guarantees admission into a degree program. Non-degree student status normally does not extend beyond one semester. Non-degree students may not take doctoral courses except for the Graduate Research Seminar, modern languages, and Latin.
• Transfer — Students must have 1 or more hours to transfer into a degree to be considered a transfer student.

Admissions Information
• Student Spouse — see “Non-Degree” above. Must submit application, Church/Pastoral Recommendation, and spiritual autobiography.
• Non-Southern Baptist Applicants — The purpose of Southern Seminary is to train, educate and prepare ministers of the gospel for more faithful service, regardless of their denomination. Nevertheless, Southern Seminary is a denominational institution and the tuition of Southern Baptist students is partly subsidized by the Cooperative Program (CP) of the SBC. CP funds support the denominational task of preparing biblically-trained Southern Baptist ministers, subsidizing approximately half of the institutional cost for all Southern Baptist students. Students not identified with the SBC benefit from comparatively lower costs afforded by CP funding, but are only eligible for the lower tuition rate under certain circumstances. These students will need to fill out a Southern Baptist Membership Verification Form and meet certain requirements. Requirements include being a regularly attending, participating member at a Southern Baptist church and identifying as a Southern Baptist out of conviction, agreeing with the Baptist Faith and Message 2000. Forms are available from the Admissions office.
• Applicants Recently Divorced — Applicants who are divorced must wait a minimum of one calendar year before they can be considered for admission. Upon receipt of the application materials, additional information may be required, including an interview with the Center for Student Success.
• Academic Probation — Students lacking a 2.4 cumulative GPA (on a 4.0 scale) may be admitted on a case-by-case basis under Academic Probation. The student must maintain a “C” average for the first two semesters in order for Academic Probation to be removed.
• Visiting Student — A student who is regularly enrolled in another accredited institution may enroll at Southern Seminary for a limited period (one semester) upon recommendation of the dean and registrar of the student’s home institution. It is the student’s responsibility to ensure that credit will transfer to the home institution.
• Visiting Scholar — The Visiting Scholar Program is designed for mature scholars, pastors and denominational staff seeking to improve their professional skills through individualized programs of study and research for a maximum of two consecutive semesters. Visiting scholars are free to pursue specialized interests by using the library facilities, consulting with professors and professional peers. Applicants should complete the Visiting Scholar Program Application from the SBTS website.
• Provisional — Provisional admission to master’s level programs may be granted, on an individual basis to applicants who have graduated from an institution lacking regional accreditation in the U.S. or Canada. In order to qualify, applicant’s cumulative GPA must be strong (over a 3.0). The applicant’s course of study must have included at least 60 hours in the areas listed below. No more than 30 hours can be from areas broadly considered to be courses of Instruction related to ministry preparation. The applicant must have taken classes in at least six of the following areas and no more than 12 hours from a single area can be counted towards the 60 hours total. If accepted under Provisional Admission, the student will be placed on
Academic Probation and must maintain a “C” average for the first two semesters.
- English/Speech
- History/Geography/Cultural Studies
- Philosophy/Ethics
- Psychology/Social Science/Management
- Fine Arts (music, art, drama)

- Modern Foreign Languages
- Biblical Studies
- Religious Studies (history, theology, ministry)

International
Southern Seminary is authorized under Federal law to enroll non-immigrant alien students. Students with F-1 visas can study at the Louisville campus only. The seminary is NOT authorized by the USCIS (Immigration Service) to accept international “visiting scholars” with J-1 Exchange Visitor visas, whether as students or researchers. As US immigration regulations are often subject to change, any international student seeking to study without F-1 visa status must first contact the Center for Student Success before making application.

International applicants must meet particular admission guidelines:
- For applicants whose native language is not English, an official score report not more than three years old on the Test of English as a Foreign Language (TOEFL) is required prior to admission. Applicants for Master of Arts or Master of Divinity programs must score at least 83 (internet-based) or 220 (computer-based); applicants for Doctor of Ministry or Doctor of Educational Ministry programs must score at least 90 (internet-based) or 233 (computer-based); and applicants for Master of Theology, Doctor of Missiology, Doctor of Education, or Doctor of Philosophy programs must score at least 95 (internet-based) or 240 (computer-based).
- Applicants, other than Doctoral applicants, who are graduates of a United States college or university may request a waiver of the TOEFL requirement.
- International students seeking F-1 (student) visas must provide the Center for Student Success with affidavit(s) of adequate annual financial support, and unless transferring from a U.S. school, provide a deposit. This deposit is necessary in order to ensure at least minimum funds to begin studies. Guidelines for determining the required amount for the deposit and the annual support are available on the “International Student Checklist” from the Admissions section of the seminary’s website. International applicants are advised to submit their applications at least four months prior to the semester or term in which they wish to begin studies. If admission materials are not complete at least 45 days prior to the date when the applicant wishes to begin studies at Southern, the applicant will be notified of the withdrawal of their application.
- The seminary cannot provide any applicant a Form I-20 necessary for the F-1 (student) visa unless, at least 30 days before the semester or term begins, the applicant has been approved for admission, and has provided the financial documents and deposit mentioned. Once accepted, applicants should plan to arrive on campus at least one week before new student orientation (but may not arrive more than 30 days before classes begin) in order to adjust to the community and receive assistance for special needs. Health insurance must be obtained before the student can enroll in courses. F-1 visa status students are eligible to earn a maximum of two master’s level degrees at SBTS. Questions concerning admission to master’s programs may be directed to the Admissions Office. Questions regarding admission to doctoral programs should be addressed to the appropriate Doctoral Studies Office (either Professional or Research). Questions about financial or visa matters should be directed to the Center for Student Success (international@sbts.edu).

Since its inception in 1859, Southern Seminary has attempted to keep student costs as low as possible. Gifts from thousands of SBC churches and faithful individuals, given directly and through the Cooperative Program, provide significant funding for the operational budget of the seminary and enables Southern Seminary to defray a major portion of the academic cost for Southern Baptist students. Enrolling students pay a flat, per-hour course fee. Southern Baptist students pay one-half the amount of fees paid by non-Southern Baptist students. This is an investment in the future ministerial leadership of Southern Baptist churches.

The Financial Aid program is established to assist those with the most pressing financial needs. A student’s preparation for entering Southern Seminary should include a determination of financial needs and the provisions for meeting them since scholarship awards are not capable of providing the total budget needs of any student or student family.

Missions Grant

Missionaries who are currently serving full-time with IMB or NAMB (Career, Limited Term, Journeymen, ISC, US2, MATSIL) may be eligible for a tuition grant from SBTS. Master’s level students may be eligible for a grant of 50% of tuition and Internet fees. Research doctoral students may be eligible for a grant of 30% of tuition and professional doctoral students may be eligible for a grant of 20% of tuition. IMB Journeymen who have returned from the field within the past 2 years may be eligible for a 75% tuition grant for the first year of studies at SBTS and a 50% tuition grant for years 2-4 of study. Other Assistance from
Southern Seminary

Short-Term Loans
Southern Seminary offers a short term loan to continuing
students for a maximum of $2,000 with an annual interest
rate of 7%. Students may apply for a short term loan in
the Financial Aid Office (Norton 154) for tuition or living
expenses. Applicants must be currently enrolled at SBTS
and must be in good academic standing. The repayment
period for the loan is 6 months.

Emergency Aid
At times a student may face an unexpected crisis caused
by serious illness, death, or some other unforeseen
circumstance. At such times, Southern Seminary seeks
to assist with emergency expenses through a grant that
does not need to be repaid. All emergency aid situations
should be directed to the Financial Aid Office.

Spouse/Dependent Grant
Spouses or dependents of full-time students may be
eligible for a 50% tuition grant on net tuition charges
(tuition charges less scholarships awarded by SBTS). Qualifying students must apply midway through the
semester by submitting the spouse/dependent form
to the Accounting Office (application available on
E-campus). Please review full policy guidelines in the
Academic Information section of the catalog.

Payment Plan for Tuition
Southern Seminary participates in the FACTS automatic
payment plan, which is a program that allows students
to make monthly payments toward their college
expenses. One-fourth of a student’s tuition, fees, and
residence life costs (if applicable) is due at registration.
The remaining balance is automatically withdrawn from
the student’s bank account or credit card in three equal
monthly installments. The program is interest free,
but a $25 enrollment fee is charged per semester to
participate in the program.

Tuition Assistance from
Other Sources

Federal or State Student Aid Programs
Southern Seminary does not participate in any federal
or state student aid programs involving loans or
grants. Therefore, it is unnecessary for SBTS students
to complete the Free Application for Federal Student
Aid (FAFSA). Federal loans already issued for previous
educational experience may be deferred through the
Academic Records Office.

Each student is responsible for knowing this material and abiding by all seminary policies and regulations of the most recent version of the Student Handbook. www.sbts.edu/current-students/policies/student-conduct.

**Chapel**
Organized by the Office of the President, chapel is an integral facet of campus life. While classes are in session during each semester, the entire community gathers on Tuesday and Thursday in Alumni Chapel for an hour of worship and edification.

**Student Activities**
The seminary exists to prepare well-rounded ministers of the gospel, and student activities encourage fellowship, leadership and mutual support. The Student Life office offers events that build into our students, starting with the Student Life conference in the fall. Events include family oriented fun, like free cook-outs and movie nights; ministry preparation, like seminars on various topics; and community outreach, like the 1937 Project.

**Women at Southern**
At Southern Seminary, we recognize the vital role that women play in God’s Kingdom. We believe that God is calling women unto Himself. To that end, we’ve created a variety of special programs and ministries to address women’s needs, including Seminary Wives Institute, Koinonia fellowship events, Women of the Word Discipleship groups, and Equip: Practical Training for Women in Ministry for training. See more at www.sbts.edu/women.

**Ministry Leaders Internship**
This program trains men and women for their unique leadership roles in ministry. Under the office of Student Life, Ministry Leadership Interns promote a culture of discipleship through active leadership in substantial on-campus projects. Students will work with key leaders across campus while receiving guidance from the Dean of Students for course credit. To apply, visit www.sbts.edu/students/student-life/ministry-leaders-internship.

To start an organization or join an existing one, come to the Student Life office or visit www.sbts.edu/students/student-life/student-organizations.

**Student Care Services**
Counsel and care is provided for students and their family members through referrals authorized by the Dean of Students. If you have a personal issue, please reach out to the Dean of Students by contacting the Student Life office.

**Men and Women of the Word**
Both Men of the Word and Women of the Word are 10-week mentorship programs for students aspiring to serve the church. We’ll consider carefully both Scripture and the believer’s response to it, to deepen faith in, love for, and obedience to the Lord Jesus Christ. Students will see a living model of how to conduct a Bible study with expositional and relational skill that will serve them well in ministry. To apply, visit www.sbts.edu/students/student-life/men-and-women-of-the-word.

**ID Cards and Email**
All students must have an ID card (the Shield Card) to use campus services. All students are assigned a student email account. Electronic mail is the primary means of communication for necessary information about classes, registration and other campus functions within the seminary community. Students are accountable for the contents of institutional communication received through their email account.

**Center for Student Success**
From orientation to graduation, The Center for Student Success is your source for academic and personal support at Southern Seminary.

The Center for Student Success is committed to help you overcome challenges and progress toward
completing your degree. We believe that every Southern student is capable of academic achievement. Our office provides support for you in the following areas:

**Academic Advising**
Our academic advising staff is here to guide you while you work toward your degree at Southern Seminary. Students can set up an appointment to discuss their specific academic goals with an advisor and work with them to plan their class schedules. Phone advising is available for off-campus students. Our office also provides advanced placement exams and processes course substitutions. To schedule an appointment to meet with an advisor, please email our office at academicadvising@sbts.edu or call us at (502) 897-4680.

**Advising Hours:**
Monday – Friday, 9:00 a.m. – 4:00 p.m. EST
Location: Norton Hall 154

**Writing Center**
SBTS offers writing assistance to all students free of charge. Students may bring drafts of any assignment to the Writing Center for help with mechanics (like grammar, spelling, or style) or with content (like thesis statements, organization, or argumentation). Because writing is a process, the Writing Center welcomes students at any stage, from choosing a topic to polishing a final draft. The purpose of the Writing Center is not only to assist students with their assignments but also to help them become better writers. Much more in-depth than a simple editing service, the Writing Center prepares students to communicate well. The end goal of this service is to prepare ministers of the gospel to engage their world more proficiently.

**International Student Services**
The Center for Student Success helps international students meet the legal and social challenges of living in America through assistance with obtaining legal identification and driver’s licenses, and opening bank accounts, etc. The office regularly informs and advises on F-1 student visa matters, including employment authorization and income taxes.

All students with legal citizenship outside the United States are required to consult with the Manager for International Student Services within two days of arriving on campus. To schedule an appointment to meet with our Manager for International Student Services, please email our office at studentsuccess@sbts.edu or call (502) 897-4680.

**Health Insurance**
Every student and student dependent is encouraged to have medical insurance while enrolled at Southern Seminary. The Office of Student Success has information available for students, including policies through GuideStone Financial Resources of the Southern Baptist Convention.

**The Bevin Center for Missions Mobilization**
The Bevin Center for Missions Mobilization exists to serve all Southern Seminary and Boyce College students by connecting the classroom with the unbelieving world. As students learn skills necessary to present the gospel, they have opportunity to join faculty and staff in proclaiming Christ to unbelievers. Local ministries include rescue missions, sports chaplaincies, and more.

Students receive life-long training through short-term missions. Classroom learning is reinforced on domestic and international mission fields. Opportunities for hands-on experience include Bible teaching, preaching, and evangelism in partnership with Alumni and IMB missionaries.

Future church planters gain critical experience by serving alongside skilled church planters and in the “living laboratory” of local churches and gain opportunity through the NAMB internship track.

**Campus Facilities**

**Seminary Clinic**
The Clinic offers urgent care, as well as physicals (for employment, school, adoption, and sports), well-baby visits, women’s annual exams, lab tests, immunizations, travel vaccines, allergy injections, and maternity ultrasounds, all at a low cost for seminary students, faculty, staff and their family members. Staffing includes a physician, nurse practitioner, and a team of nurses. The Clinic is located at 213 Honeycutt, behind Admissions, and is open weekdays. No insurance is necessary. Its collections contain over 500,000 volumes and over 1 million items including books, journals, minutes, music, pamphlets, microforms, and audiovisuals. These holdings rank the library among the top five seminary collections in North America.

The library website can be accessed at http://library.sbts.edu. Either on-campus or remote, students can access online databases, hundreds of journals, and other full-text materials.

Wireless access (Wi-Fi) is available, and more than twenty computer workstations are located throughout the library. A variety of programs are available for research and tutorials, including BibleWorks. Three copiers are convenient for printing, copying, and scanning, provided courtesy of 5th and Broadway.

The library provides access to key resources for students who desire to excel in their studies. Students can learn about library resources from experts at the Research Hub, become better writers by engaging with staff in the Writing Center, and get help in Greek or Hebrew from tutors from the Office of Student Success.

Through its collections and services, the library furthers the educational and ministry goals of students and faculty.

The campus store takes its name from the former downtown location on the corner of Fifth and Broadway. Services available include the convenience store, Production Services, and the Post Office. Fifth and Broadway sells snacks, household items, office supplies, and more. The wide selection of logo items includes clothing and accessories.

Though the Shield Card Office is no longer at Fifth & Broadway, students and staff can still add money to their card at this location.

The store exists to provide reasonably-priced, good quality clothing and accessories for students and staff. Edgar’s inventory includes suits, shirts, ties, bags, wallets, watches, desk stationery, shaving accessories and fine writing instruments.

Campus Police
The Campus Police Department is responsible for all aspects of safety and security on the Seminary and Boyce College campuses as well as all other property owned by the Seminary. The department is comprised of sworn police officers who have full powers of arrest on the Seminary property.
Seminary police officers are trained and equipped for emergency responses and are trained in First Aid and CPR. The Campus Police Department is staffed 24 hours a day, 7 days a week, including holidays. The department utilizes a computer aided dispatch center and a campus radio system to ensure the quickest response possible to calls for service. This same center is able to monitor much of the campus by way of closed circuit television and officers regularly patrol the campus on foot, bicycles, ATV and by marked vehicle. The Campus Police Department maintains a close working relationship with the main law enforcement agency serving metro Louisville.

While the safety and security of the campus community is the primary goal of the department, our members also provide other services including parking control, issuing Shield Cards and parking permits, key control, escorts upon request and training on topics such as personal safety and crime prevention.

Housing and Residence Life
Living on campus at Southern Seminary offers several advantages for students and families coming to Louisville. Competitive pricing, thriving community, and the convenience of being within walking distance to classes and on-campus amenities make living on-campus attractive to the nearly 1,000 students and family members who call Southern home. All of the residence halls and apartments include complimentary high-speed internet, cable, and 24-hour security. Additionally, all students and family members enjoy access to the seminary’s Health and Recreation Center.

The Residence Life program strives to maintain the unity of the Spirit by living out Christ’s example of sacrificial love. The Southern Baptist Theological Seminary is represented by students of 41 different countries and all 50 states. Though ethnically and culturally diverse, there is unity in Christ. The vision of the Residence Life Program is a seminary community where residents and families experience mutual sanctification, encouragement, and spiritual refinement through Christian fellowship.

In order to apply for on-campus housing, please visit www.sbts.edu/housing. A non-refundable application fee is required to apply for all on-campus housing and is payable online. Although confirmation cannot be made until officially accepted for admission, students are encouraged to submit the application for housing early in the admissions process.

Residence Halls
Carver, Manly, Mullins, Sampey, Whitsitt, and Williams Halls offer single and multiple-occupancy rooms for single students. Amenities include a meal plan, lounges, community kitchens, free laundry facilities, cable TV, high-speed internet, and 24-hour security.

Meal plans can be utilized at any of the dining areas on campus: Students may choose a meal plan with “flex dollars” included in the Room and Board charge that can be convenient for coffee or snacks between classes.

The Dining Hall also offers a “green-on-the-go” program that allows students to use their meal plan for carry-out meals — good for those days with back-to-back classes or a busy work schedule.

Commuter Housing
Commuter housing is intended for students and is available on a nightly basis. A limited number of bed spaces are available on a first-come, first-served basis. Additional information and an online request can be found at www.sbts.edu/housing.

Employment
Church
The location of several hundred churches within commuting distance of the seminary campus allows ministry involvement to be an integral part of a student’s seminary experience. Many of these congregations provide opportunities for students to gain practical experience in ministry while attending seminary. Students serve as pastors, or in music ministries, youth ministries, Christian education, and a variety of other leadership positions.

Although the seminary does not guarantee placement in church staff positions, it does offer assistance with ministry employment searches through the Ministry Connections Office in the Center for Student Success. The Ministry Connections Office assists students and alumni by providing guidance for resume preparation, resources for employment searches, and a website where churches and ministries regularly post ministry opportunities at sbts-csm.symplicity.com. Current students and registered alumni may utilize this site to search for ministry opportunities and to post their resume for churches to view. The Ministry Connections Office also hosts various ministries on campus throughout the school year and strives to serve as a bridge between the students of Southern Seminary and the churches of the Southern Baptist Convention. The office can be contacted by phone at 800-626-5525, extension 4680, or via email at ministryconnections@sbts.edu.
Louisville Employment
Many seminary students and student spouses find employment, either on campus or off campus, with the aid of the Human Resources Office. Qualified and skilled applicants with job experience are in demand for positions at the seminary. Human Resources takes applications, interviews, and refers students and student spouses to appropriate positions within the seminary. The Human Resources office accepts applications for employment with the seminary at any time during office hours. Applications should be updated at the beginning of each semester.

Human Resources also offers assistance for students and student spouses who wish to find off-campus employment in the Louisville area. The Employment Opportunities Bulletin provides a weekly list of jobs, full or part-time positions, from various organizations in the Louisville community. This bulletin is updated every Monday and can be found on Moodle.

Applicants are encouraged to visit prior to their arrival and make themselves available for in-person interviews.

Applications for exception to this policy may be made through Academic Records and are subject to late registration fees.

**Extension center drop/withdraw dates may vary. Contact Academic Records with any questions 1-800-626-5525 x4209.

Advising
Students may receive academic advising through the Center for Student Success.
Any academic exception to the catalog standards must be approved by the authorized dean and documented in writing to Academic Records. Exceptions that have been approved through the academic dean are not granted without written documentation in the student file.

Advanced Placement Testing
Entering students have the opportunity to take advanced placement tests in Old Testament, New Testament, Elementary Greek, Elementary Hebrew, Church History and/or Systematic Theology. Students who demonstrate proficiency on the placement exams must still take the same number of course hours in the subject area to meet degree requirements, except in the case of elementary languages. Elementary Greek and Hebrew do not need to be replaced with another class.

Class Schedules
The school year is divided into semesters and terms. There are two semesters, each of which has approximately 13 weeks of classes. Additionally, there are condensed summer and winter terms.
The unit of credit given for course work is the semester hour. This unit represents one hour of class per week for a semester or an equivalent amount of study during the term.

Orientation
Students entering the seminary for their first semester are required to participate in Orientation, which is designed to be a welcoming occasion where students will meet key people who are here to make the experience as a student happy and productive. Students should register for Orientation to receive information before the semester begins.

Registering for Courses at Other Schools
While in seminary, students may wish to take courses through other educational institutions in order to enhance their studies. Southern Seminary cooperates with other schools in two programs: Metroversity and TEAM-A (Theological Association of Mid-America).

Metroversity
Southern Seminary students enrolled in a degree program can take courses at one of the following institutions:
• Bellarmine College (Louisville, Kentucky)
• Indiana University Southeast (New Albany, Indiana)
• Jefferson Community College (Louisville, Kentucky)
• Louisville Presbyterian Theological Seminary (Louisville, Kentucky)
• Spalding University (Louisville, Kentucky)
• University of Louisville (Louisville, Kentucky)
There are links to these schools’ websites at www.metroversity.org.
To qualify for Metroversity courses, students must be full-time (minimum of 9 semester hours for graduate and diploma) students. The Metroversity course counts towards the total semester hours. Metroversity courses apply to fall and spring semesters only and cannot be taken during the winter or summer terms.
Application to take Metroversity courses is made through Academic Records and requires the signature of the registrar and the student’s advisor or school dean. The student will then take the form to the registrar of the host institution for approval. Some institutions require Metroversity students to wait until the late registration period to register for classes. Please begin the process two to three weeks before online registration closes for the semester. Registration and tuition fees are charged at Southern Seminary rates. Any additional course fees are paid to the host institution.

Cooperative Program Seminar
The Cooperative Program Seminar is a (one-time) non-curricular requirement — course 42490 for doctoral students; CP100 for Boyce. Students should enroll
in the class during their first year of study. All course work is completed online through Moodle. Subsequent registration for classes is contingent upon fulfillment of this requirement. Compliance at a sister seminary of the SBC is acceptable, provided that a transcript has been received by Academic Records.

Master’s students will fulfill this requirement through completion of 26200 Southern Baptist Heritage and Mission.

**Written Communication Requirement**

**Policy**
All seminary students must demonstrate an acceptable level of written communication proficiency by achieving a “B-“ or better in college English courses prior to attending seminary, or by successfully completing Written Communication (31980).

All courses in English Composition and/or Grammar are averaged to verify a “B-“ minimum. For students below this standard, a Written Communication course is required in the first or second semester of enrollment. Course 31980 is remedial (undergraduate), worth two credit hours, although it is not applicable toward any degree requirements.

**Appeal**
A student may appeal the decision of Admissions to require Written Communication:

- The student must submit a letter to Academic Records requesting the waiver of the course and stating the justification.
- The student must submit a recent research paper which will be forwarded to the professor of Written Communication, who then makes a determination. Papers will be evaluated based on grammar, composition, and adherence to the Southern Seminary Style Manual.
- The student will be informed by Academic Records, and a copy of the marked paper will be provided by request.
- This decision may be appealed to the Vice President for Academic Services.

**Independent Study**
Independent studies are an exception to curricular schedule and delivery of SBTS. If a conflict jeopardizes the graduation of a student, however, the faculty may entertain a proposal for an independent study model. The student must initiate the process by contacting the professor for approval and the completion of the “Contract for Independent Study.” The school dean of the school where the course is taught must approve this request prior to the beginning on the semester of term for the study. The guidelines are available through Academic Records or the Center for Student Success.

**Student Status**

**Academic Standing**
Every student’s academic standing is reviewed at the end of each semester. Each diploma and master’s level student is categorized into one of the following classifications of academic standing. Standards for research and professional doctoral students (including Th.M.) are described in sections of the catalog that relate to each specific degree.

**Good Standing**
A student is considered to be in good standing if that student has a grade point average of at least a “C” (2.0 on a 4.0 scale), both in the grading period that is the subject of academic review and in the cumulative total.

**Academic Warning**
If a student’s grade point average in the last grading period is below “C” (2.0 on a 4.0 scale), the student is placed on academic warning. He or she must achieve at least a “C” average (2.0 on a 4.0 scale) evaluated over the subsequent 9 hours of course work. Academic warning and academic probation may occur simultaneously.

**Academic Probation**
A student is considered to be on academic probation when his or her cumulative grade point average falls below “C” (2.0 on a 4.0 scale). He or she must achieve at least a “C” average (2.0 on a 4.0 scale) evaluated over the subsequent 9 hours of course work.

**Academic Suspension**
Failure to satisfy requirements for removal from academic probation will result in academic suspension. This standing requires that the student withdraw from seminary for at least one semester. If the individual desires to re-enter the seminary, he or she must apply for readmission. Readmission, however, is not automatic. If readmission is granted, the student will be admitted on academic probation.

**Academic Dismissal**
Academic dismissal results when a student fails to satisfy the requirements necessary for removal from academic probation once that student has been readmitted following academic suspension. This academic standing requires the student to withdraw. The student is then ineligible for readmission.

**Attendance in Classes**
The breadth of the seminary curriculum requires a variety of approaches to teaching and learning. Therefore, no uniform requirement for class attendance is prescribed. To allow for flexibility in the teaching/learning process, each professor will establish the attendance requirements in his or her course. Failure to meet these requirements may be reflected in a student’s grade.
Enrollment Status and Maximum Course Load
Each course is assigned a credit hour value based upon the semester system. Full-time and half-time enrollment status varies with the program of study in which a student is enrolled and when the student is enrolled (semester or term). Enrollment status is not applicable to the Winter Term.

Semester Enrollment
Master’s and Diploma programs
• Full-time: 9 hours or more
• Half-time: less than 8 hours

Maintaining Student Status
Southern Seminary prioritizes the spiritual maturity and development of each student. Standards are set to encourage a Christian environment appropriate for academics. The administration reserves the right to determine continued student status.

Student status is subject to review at any time. A member of the faculty, staff, or student body may request a review by the office of the Dean of Students if a student demonstrates the inability to live in harmony within the community, or if characteristics presumed present for admission are lacking, such as moral character, relational skills, potential for effective ministry, and appropriate church involvement.

Plagiarism and Telecommunications
Plagiarism is the use or theft of intellectual property without attribution, both a moral and educational transgression. Students are required to affirm their academic integrity in writing when submitting all course work: On my honor, I have neither given nor taken improper assistance in completing this assignment. Appropriate and ethical behavior honors the software licensing agreements and copyright law; respects confidentiality and/or privacy of data; uses telecommunication and computing resources without offending, annoying or harassing others. Students and employees are accountable for their use of all computing and telecommunications resources. Misuse may result in legal or disciplinary action.

Campus Requirements
Extension Center and Online Students
The Master of Divinity and Master of Arts in Theological Studies degrees may be completed through any combination of online, on-campus, or extension courses, including fully online.

For all other master’s degrees, at least one-half of the credits for the degree must be earned in on-campus courses. On-campus courses include any courses taken at the Louisville campus of Southern Seminary, including two-day hybrid modular, one-week modular, and traditional semester-long courses. Some conference and travel courses, as well as integrative seminars in the Ministry Apprenticeship Program, may also qualify as on-campus courses.

International students with F-1 visas may not enroll at any extension center.

Degree Completion
Students who are taking courses toward a degree program and who find themselves having to relocate may wish to complete some of their work at another regionally accredited school and then transfer courses back to Southern Seminary. If a student chooses to do so, he or she must ensure that the last 24 credit hours of his or her degree program are taken consecutively at Southern. This means that no courses taken at another school may be transferred in toward the degree during the time when the last 24 credit hours are being completed. The dean must grant any exceptions to this rule.

Grades
Grading System
The Southern Baptist Theological Seminary awards grade points on a 4-point system. The quality point value per credit hour for each letter grade is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>A-</td>
<td>3.7</td>

</tbody>
</table>

The minimum passing grade for master’s level courses is a “D-“. Doctoral level minimum grades vary, see program descriptions. Some courses are graded on a satisfactory/unsatisfactory basis. Instead of one of the letter grades listed above, the student receives either “S” for satisfactorily completing the course or “U” for unsatisfactorily completing the course. Other courses are graded on a Pass/Fail basis.

Change of Grade
Approximately three weeks after the close of each semester, the student can view his or her grades for courses taken during that semester via Moodle. If a student feels that he or she has been assigned an incorrect grade for a course, the following procedure should be followed:

• An appointment should be scheduled with the professor as soon as possible after receipt of the
official grade from Academic Records. When making the appointment, the student should indicate that the purpose of the meeting is to review the grade that has been received.

- This consultation with the professor regarding the grade must take place within 30 days of the issuance of the official grade. When the professor is not available, the student should consult with the dean of the school in which the course was taught (for master’s work) or the chairman of the appropriate doctoral studies committee for an extension of time or for other instructions.
- If the consultation with the professor results in change of the previously assigned grade, the professor will complete a change of grade form with Academic Records.
- Additional information regarding grievances may be found in the student handbook.

**Incomplete Coursework**

The seminary faculty discourages granting “incomplete” grades except in special cases (such as medical or family emergencies). The faculty member must deem any special cases appropriate.

Students receiving an incomplete during any semester or term are required to complete the work necessary to remove the incomplete prior to the close of the next scheduled semester. If a student does not complete the required work by the deadline, the incomplete will be changed to an “F.” This policy also applies to independent studies.

Doctor of Ministry students who receive an incomplete during any semester or term will not be permitted to register for additional classes until the incomplete work is submitted. Students may not begin their doctoral project until all incomplete courses are finished.

Exceptions to this policy may be made on the recommendation of a faculty member to Academic Records. All incompletes must be resolved by the midpoint of the semester in which the student intends to graduate.

**Repeated Courses**

Any course may be repeated regardless of the grade received for that course although a course will count towards the student’s degree requirements only once. Each attempt will remain on the student’s transcript, but only the most recent grade will be used to calculate the student’s grade point average (GPA). Responsibility for unintentionally repeated courses is not assumed by the institution.

**Transcripts**

Transcripts are confidential documents and are issued only upon the request of the student. Transcripts requests are submitted electronically through the SBTS website. Requests submitted through e-mail, mail, or fax may be accepted under exceptional circumstances. The charge for issuance of a transcript is noted in the “Schedule of Fees and Charges” at the end of this section. Most transcripts are issued within three to five working days. More time may be necessary for older records, for students who just completed course work and who have not received their grade reports, and/or for doctoral work. No transcript will be issued for persons who do not have clearance, including financial clearance from Accounting Services. Academic Records reserves the right at any time to withhold a transcript for further verification of the request.

**Policies**

**Access to Student Information**

A student has the right to examine some of the information in his or her student record. To do so, the student should contact Academic Records. A member of the Academic Records staff will obtain the file and be present when the student examines it.

Seminary personnel may be given access to student files for routine purposes of processing. Third parties outside the institution may be given only specified items of directory information. Additional access may be granted with the written consent of the student or where the welfare of the student or others requires disclosure. Questions regarding directory information or student files should be directed to Academic Records.

The full policy on access to student records is available in the Academic Records office.

**Evaluation of Classes**

The quality of curriculum and instruction is monitored annually. Students participate in the evaluation process. A student may submit an evaluation by contacting the office of Institutional Assessment even if a course is not scheduled for review.

**Finals**

Academic Records will publish a final examination schedule each semester based on class meeting times. With permission of the professor of the course, a student may take a final examination at a date other than the scheduled date. In such instances, the student may be assigned a grade of “Incomplete” for the course.

**Graduation Policy**

In order to graduate from Southern Seminary, a student must meet all of the obligations listed below:

**Application for Graduation**

A “Graduation Application” must be completed and submitted to Academic Records by September 15 for fall graduation or February 15 for spring graduation. Failure to submit the completed form by the deadline may result in a late fee or delay in graduation.

**Satisfaction of Degree Requirements**

A student may graduate under the requirements stated in the seminary catalog at the time of acceptance into a degree program, provided that there has not been a withdrawal from classes for two or more years. Students may elect to graduate under the catalog revisions that are implemented during the time of enrollment, although all the new requirements must be met. Students must contact Academic Records to change to the current catalog.

The student is responsible to ensure that all requirements for graduation have been satisfied. Graduation audits will be conducted upon receipt of
the student’s graduation application. Students will be notified by student email of the results. All outstanding academic issues must be resolved by the mid-point of the semester in order to be eligible for graduation.

Students who are within 6 hours of completing their degree requirements may request permission to participate in the graduation ceremony and complete the requirements in the following term. Academic performance and the courses to be taken will factor into the decision for approval of the request. Please contact Academic Records for details.

**Satisfaction of Cumulative Grade Point Average**

Unless otherwise stated in degree program requirements, graduation from any master’s level program requires the satisfactory completion of all the specified hours with a minimum cumulative grade point average of "C-" (1.7 on a 4.0 scale).

**Faculty Approval**

Although curricular requirements have been satisfied, the faculty of Southern Seminary reserves the right to recommend that a student not be granted a degree.

**Satisfaction of Financial Obligations**

All financial obligations to the institution must be fulfilled prior to graduation, so that all accounts are clear of debt, including the graduation fee. If graduation is deferred, student should contact Academic Records regarding a partial refund.

**Earning Multiple Degrees**

Individuals who earned a bachelor’s degree at Boyce College may not apply any of those credits to a master’s degree. Boyce College graduates are eligible to take electives in place of core M.Div. courses in accordance with the Advanced Standing Policy below.

Individuals who earned an M.Div. at SBTS may enroll in an MA degree and apply up to half of the MA credits from the M.Div. (e.g. Up to 24 hours from the M.Div. may be applied to a 48 hour MA.) Courses may not be repeated and will be replaced by electives in the same category (e.g. Old Testament elective for Intro to Old Testament) to meet degree requirements for the MA degree.

Individuals who earned an MA degree at SBTS may enroll in an M.Div. program and apply up to half of the MA credits without relinquishing the MA degree (e.g. 24 hours of a 48 hour MA may be applied to an M.Div.) All of the MA credits may be applied if the MA degree is relinquished. Courses may not be repeated and will be replaced by electives in the same category (e.g. Old Testament elective for Intro to Old Testament) to meet degree requirements for the M.Div.

Individuals who earned a Th.M. at SBTS may enroll in the Ph.D. program and apply up to 12 hours of Ph.D. seminars to the Ph.D. program.

**Transfer of Credit Policy**

**Master’s Level Programs**

The Southern Baptist Theological Seminary recognizes appropriate course work completed at other seminaries, universities and colleges that have been accredited by the Association of Theological Schools (ATS), or by one of the six regional accrediting bodies in the U.S. Transfer credit for diploma programs may be accepted from institutions that are unaccredited or have been accredited by other agencies. All credits are accepted in accordance with federal and state law, informed by the standards delineated in the American Association of Collegiate Registrars and Admissions Officers Transfer Credit Practices Guide.

Transfer courses must be appropriate for the degree program, and have commensurate academic content and expectations to the course being substituted, with a grade of "C-" or higher. Transfer hours are posted on the official transcript as credit earned with no grade upon the completion of one semester in an approved degree program.

The maximum amount of transfer credit varies according to the program of study. For all graduate and post-baccalaureate programs, a majority of the credits toward the degree must be earned through instruction offered by the seminary. Up to 49% of the credits toward a degree program may be transferred to Southern Seminary, provided these credits meet the criteria outlined in this policy.

Students are notified via e-mail of transferred credit applicable to their degree. Prior written approval from the Center for Student Success is required for transferring any course work during the final twenty-four hours of course work.

Transferred credit is evaluated when a written request is submitted to Academic Records.

1. A request for the evaluation of transferred credit from an accredited institution will be processed after the receipt of all necessary documents to Academic Records:
   A. Completed Transcript Evaluation Request Form
   B. Official copies of transcripts to be evaluated
   C. Copy of catalog course descriptions of all work to be evaluated
   D. Copy of syllabi of all work to be evaluated
2. Transferred credit from institutions outside the United States and Canada, or those not accredited by ATS or a regional body, will be evaluated on an individual basis. A maximum of twenty-four hours may be transferred, and must be approved by the school dean or the office of Academic Records.
   A. Transfer of credit evaluation for courses taken at an institution outside the United States or Canada must be evaluated by World Education Services (WES) before being submitted with the accompanying documentation (listed below).
   B. Transfer of credit evaluation for courses from institutions not ATS or regionally accredited require the following documentation:
      1. Completed Transcript Evaluation Form
      2. Official copies of transcripts to be evaluated
      3. Vita of Professor/s
      4. Syllabus from the actual course
      5. Substantial samples of course work

If an institution receives full accreditation status from ATS or a regional accrediting agency within two years of matriculation, the student may request a reevaluation of
the transfer of credit hours earned while the institution was under review.

**Professional and Research Doctoral Programs**
Generally, Southern Seminary does not grant transfer credit for doctoral work completed in other institutions. Any exceptions must be approved by the Associate Vice President for Doctoral Studies.

**Advanced Standing**
A person who has taken Boyce College courses will receive advanced standing for SBTS courses if the grade earned for the Boyce course is a B or higher for the courses listed below. In the case of some courses, two Boyce courses are required to qualify for advanced standing. Unless indicated otherwise, advanced placement allows students to take an elective course only within the same Division, and preferably within the same Department, as the replaced required course. Students may take the required course if desired and do not have to apply advanced standing.

**Course Evaluation Policy**
Students wishing to take a course at other institutions not affiliated with Metroversity or Team-A for transfer of credit to Boyce College or Southern Seminary should request a course evaluation prior to registering for the course. The following information is required to evaluate a course:

1. The Course Evaluation Request form
2. A catalog description of the course to be evaluated
3. Course Syllabus

Once the course has been evaluated the student will be notified if the course may be considered for transfer of credit. Due to varying factors, approval of a transfer does not guarantee that transfer of credit will be granted. Transfer of credit is only granted after the course has been successfully completed, and a request for transfer of credit has been received with the required documentation.

Course evaluations are conducted in the order in which they are received; however, requests from current students will take priority. Course evaluations are not intended to evaluate an entire program; we reserve the right to limit the number of courses evaluated.

**Transfer of Degree Program**
Most students who wish to transfer from one degree program to another must make application through Academic Records. If the change of degree program is from the Master of Arts in Theological Studies or Master of Music in Church Music to another master’s degree, the student must reapply for the new degree through Admissions.

Students who change degree programs will be required to meet course requirements that are in effect for that degree at the time of transfer. The student must also be enrolled in the degree program from which he or she intends to graduate for a minimum of one semester. A student admitted to SBTS as a diploma student may apply for degree transfer if he or she meets the following criteria:

1. Earned a minimum of 24 hours of SBTS master’s-level coursework.
2. Has a minimum career GPA of 3.0 on a 4.0 scale.

The student will complete the normal degree transfer request and after verification of eligibility, the request will be sent to the appropriate school for consideration and approval. Exceptions to this policy must be approved by the appropriate school dean.

**Withdrawal**
A student who withdraws from all classes during the semester is required to complete the withdrawal process by submitting a “Request for Withdrawal” form to Academic Records and satisfying all institutional accounts. Withdrawals will be processed through Academic Records anytime during the current semester. Refunds will be made in accordance with the current refund policy. Students will receive grades of “WP” for all classes until the last business day of October for fall and March for spring. Students who withdraw after that time will receive automatic “F”s.

A student who withdraws and desires to be readmitted must contact Admissions at least 30 days prior to the beginning of the semester or term. The reapplication fee will not apply.

Students are permitted two consecutive semesters of inactivity (not enrolled for courses) without being required to withdraw from classes, but must contact Academic Records prior to registration.
Readmission
A student must reapply for admission if any of the following is true:
• Student graduated from a Southern Seminary degree program
• Student had a period of inactivity longer than two years

Fees and Charges
The major portion of student academic costs is defrayed by a direct subsidy from the Southern Baptist Convention, through the Cooperative Program, as an investment in the future ministerial leadership of the churches affiliated with it. Academic expenses borne by the seminary student are:
• Degree fees that cover a portion of the cost of classroom instruction, academic support services, and auxiliary benefits such as an annual directory, social and recreational programs, technology fees, and medical clinic services
• Special fees such as those for courses that require personal supervision beyond that available from the faculty in the classroom setting; costs for processing dissertations, theses, or projects; and extension-of-time fees for doctoral programs
• Service fees for graduation articles and materials
• Processing fees that are assessed for registration, exceptions and extension of time in graduate programs
• Campus fees
• Degree fees for programs such as Internet courses that are not subsidized by the Cooperative Program

Financial Obligations
All applicable academic fees need to be paid either on-line or in Accounting by all students, including off campus students, by the payment due date which is listed on the Accounting tab of E-campus. Students may contact the Bursar’s office for more payment information at accounting@sbt.edu. On-line payments may be made by checking or savings, Discover, American Express, Visa or MasterCard either in full or by using the FACTS monthly payment plan. Full payment may be made in Accounting by cash, check or money order. All accounts with the seminary must be paid promptly. Neglect of financial obligations may be cause for disciplinary action.

A student must pay all current financial obligations before registering for any semester/term. A student must satisfy any outstanding financial obligations before grades and/or transcripts can be issued to or for the student. Individuals are responsible for any collection costs and legal fees paid by The Southern Baptist Theological Seminary to third parties for the collection of any account balances.

Dormitory rent is billed by the semester and due by each registration payment deadline. Apartment rentals are due one month in advance and are payable at the beginning of each calendar month. If rent on student housing becomes delinquent, the student may be required to vacate his or her apartment and may be withdrawn from all classes.

Schedule of Tuition and Fees
The following fees become effective on August 1, 2015. Any revisions approved by the Budget Committee and Board of Trustees after that date will be communicated to students prior to the beginning of each semester or term (in registration materials or by other means of notification).

Spouse/Dependent Refunds
To qualify for this refund both students must first pay all tuition and fees in full (or have the FACTS monthly payment plan) at the time of registration and both students must still be enrolled at the mid-point of the semester. The Spouse Dependent application form is available on e-campus and is also publicized in the Towers weekly e-mail. A spouse or dependent of a full-time student may be eligible for a 50% refund of net tuition charges (gross tuition charges less any Seminary-provided financial aid), subject to the following guidelines:

- This refund does not apply to additional fees, including the Student Enrollment Fee;
- Only one spouse or dependent refund is permitted for each full paying student;
- If both students are full-time, the 50% refund will be applied to the student with the lesser net tuition charges;
- If one student is a doctoral student billed monthly, that student is the full-paying student, and the refund will be determined on the net tuition charges of the other student;
- The terms “spouse” and “dependent” are used in this policy as they are defined for federal income tax purposes;
- The refund will be applied to the account of the student who qualifies for the refund. Credits may then be transferred to a spouse’s account if requested.

**Individual Supervisory Fees per course (per semester)**

Some courses may require additional fees, such as classes requiring clinical supervision, non-credit language study, or musical instruction. See online fee schedule.

All fees are subject to change. If additional fee information is needed contact Academic Records at (502) 897-4209.

Fees for thesis, dissertation, or project microfilming, copyright, and binding are released annually by the library and are subject to change without notice.

Introduction

Purpose
The primary purpose of the School of Theology is to offer graduate theological education to train students to be pastors, teachers, biblical counselors, and for other areas of service to the gospel of Jesus Christ. The School of Theology seeks to provide the biblical and theological training that is foundational for effective ministry. Central to these educational functions is the development of persons of Christian character, commitment, and integrity.

Because Christian ministers encounter a wide spectrum of issues and challenges, the School of Theology offers an education that is both comprehensive and highly specialized. To meet the demand for comprehensiveness, students complete a core curriculum that will enable them to think theologically and will equip them with appropriate knowledge and skills. To meet the demand for specialization, students have the opportunity to select an area of concentrated vocational preparation.

The School of Theology seeks both to serve and to lead the denomination of which it is a part. While closely related to the academic and Christian communities of the world, its chief concern is the Christian ministry of Southern Baptist churches.

Overview of Academic Programs

Academic programs in the School of Theology consist of three types. First, the basic professional programs designed to equip qualified students for the practice of ministry are the Diploma in Theology, the Master of Arts in Theological Studies, the Master of Arts in Biblical Counseling, the Master of Divinity degree, and the Advanced Master of Divinity degree. Second, the professional doctoral degree is the Doctor of Ministry. Third, the research doctoral programs designed to qualify advanced students for research and teaching, as well as for other specialized leadership positions, are the Master of Theology degree and the Doctor of Philosophy degree.

School of Theology Goals

The programs in the School of Theology are offered to equip qualified students for the practice of effective Christian ministry. The goal of this faculty is for every graduate:

Policies for Master’s Level Programs

Academic Advising

Academic advising is offered for new students during orientation. Academic advising is also available during the year. Students may contact the Center for Student Success.

Shepherding Groups

Shepherding groups provide opportunity for prayer, development of relationships, encouragement, and fellowship.

Applied Ministry

Applied Ministry is a field education class which provides an opportunity for the student to learn while engaged in the practice of ministry. In Applied Ministry the student serves on the field and obtains practical ministry experience under the supervision of a qualified minister at an eligible site. Field education is a requirement for all students in master’s level programs.

Enrollment Requirements

Prior to taking Applied Ministry, students will need to make plans for how they will fulfill the requirements of the course. Full details are provided in the Applied Ministry Handbook on the seminary’s website. Questions may be directed to the Applied Ministry Office in the Center for Student Success. The office can be contacted by phone at 800-626-5525, extension 4680, or via email at am@sbts.edu.

The Biblical and Theological Studies concentration is designed to focus on the study of scripture and theology. Through this concentration, students engage in intensive biblical language study and explore theology, philosophy, and history in depth. Students with this concentration will likely take Hebrew and Greek simultaneously in varying degrees of intensity. Since students in this concentration do not have room for the Old and New Testament introduction classes within the required program of studies, they are strongly advised to attend the introductory lectures (i.e. of 20200, 20220, 22200, and 22220) to increase their general knowledge of the Scriptures. Permission of the instructor is required.

1M.Div. Core course 34300 Introduction to Biblical Counseling is not required.
Advanced Master of Divinity

The Advanced Master of Divinity is an accelerated professional degree program for students who have a baccalaureate or Master of Arts degree in religion or biblical studies and who have at least a 3.3 college grade point average. Applicants must also have completed at least 6 hours at the introductory level in Old Testament Survey, New Testament Survey, Church History, and Systematic Theology (or 3 hours at the introductory level plus 3 hours at an advanced level in each of these subjects). In each of the above subjects, students must not only have the minimum of 6 hours, but their course work must have covered the full scope of the discipline, i.e., course work that covers the whole Old Testament from Genesis to Malachi, the whole of the New Testament, Church History from the 1st to the 21st century and Introduction to Theology that covers Bibliology through Eschatology. Only courses credited with a “B” or higher will be accepted for these requirements, and applicants who have not completed these hours will not be admitted to the Advanced M.Div. program. Applicants must also submit an acceptable 12-20 page undergraduate research paper evidencing their research and writing ability in some area of biblical or theological studies. Students should also have completed 3 hours each in ethics, philosophy, hermeneutics, preaching, elementary Hebrew, and elementary Greek, but if not, they may complete them as prerequisites while enrolled in the Adv. M.Div. program. Only courses with a “B” or higher will be accepted for these requirements.

The program is designed to allow a student to acquire a comprehensive knowledge of biblical and theological studies and to gain specific ministry skills as is expected at the Master of Divinity level. In addition, the Advanced Master of Divinity program is designed to develop critical thinking and research skills, and in one of its two concentrations, it offers the opportunity for more in-depth study through the writing of a 40-60 page thesis. In the non-thesis concentration the student will take an additional elective course in the place of writing a thesis. The curriculum for the Advanced Master of Divinity combines the cohesiveness of a core of required courses with the flexibility of elective choices.

Policies for Doctor of Ministry Programs

Overview of Doctor of Ministry Programs

The Doctor of Ministry (D.Min.) degree is an advanced professional doctorate degree in ministry. The purpose of this program of study is to equip persons who are committed to a Christian vocation for a high level of excellence in the practice of ministry.

The distinctive features of the Doctor of Ministry degree program include:

- Participation in academic seminars
- A written research project that is related to the student’s ministry setting
- An oral defense of the written project

In the School of Theology, the degree is offered in four distinct areas:

- Expository Preaching
- Biblical Counseling
- Biblical Spirituality
- Applied Theology
- Biblical Theology
- Applied Apologetics
- Ethics

Contextualized Writing Seminars

Contextualized Writing Seminars are designed so as to allow students to work toward the completion of their project while in seminars. This should allow students to write and receive approval for chapters 1-3 by the time he/she has completed their seminars and be on track to graduate in 36 months. In view of this goal, students will register for Contextualized Writing Seminar (80710) in each of their first four semesters in the program. This is a graded course which has fixed submission deadlines and for which the student must receive at least a B-. The outline below will briefly describe what each semester’s Contextualized Writing Seminar work will entail. (See appendix 3 for the complete Contextualized Writing Seminar syllabus)

Project Methodology

Students are required to complete one project methodology course, for a total of 2 credit hours:

- 80600 Project Methodology .............................................. 1
- Course 80600 is attached to the third foundational seminar.
- 80610 Intro to Doctoral Research and Writing .................... 1

Ministry Research Project

The ministry research project, a written report of 100-125 (+/-10%) pages (course 80700), is the culmination of the program of study. Through the project, the student has the opportunity to apply professional knowledge and documented research into the context of ministry. The entire project is supervised by a committee composed of the faculty supervisor and the professor who taught course 80600. Prior to beginning the ministry research project, the student must secure approval of a proposal. To secure approval, the student must submit a project prospectus to the two-person committee mentioned above. Once this committee approves the prospectus, the Director of Professional Doctoral Studies will recommend the prospectus to the Associate Vice President for Doctoral Studies for recommendation to the faculty for final approval. Once the prospectus is approved, the student engages in simultaneous research and practice to conduct the project. The results of the project are compiled in written form per specific guidelines. After the project paper has been written, the student must successfully defend the project in an oral exam before a committee of two persons. This committee includes the faculty supervisor and the professor of the project methodology course or a second professor selected by the Director of Professional Doctoral Studies.

Research Thesis

The research thesis (course 80720) is an option for Professional Doctoral students with exceptional research and writing skills. This option differs from the ministry project in that it is a 125-150 page work driven by literary research towards the development and validation of a thesis statement applied to the broader church rather than a practical project geared towards a local ministry setting. Permission must be granted to present a research thesis in place of a ministry research project by submitting the following items: a Research Thesis Request Form; a 10-15 page exemplary research paper; and a 1 page abstract that includes the title, thesis statement, and general direction of the work. The Office of Professional Doctoral Studies and the potential supervisor will review these documents and determine whether the thesis request will be approved or denied. If approved, the student will write a thesis proposal in course 80600 and submit it to the Professional Doctoral Office and the supervisor for approval. Once these parties have accepted the proposal, the Director of Professional Doctoral Studies will recommend it to the Associate Vice President for Doctoral Studies for recommendation to the faculty for approval. The student then engages in research and writing to complete the thesis. Upon its completion, the student will defend the thesis before a committee of the faculty supervisor and a second professor approved by the Director of Professional Doctoral Studies.

Communities of Learning

Students are part of a community of learning that helps to foster collegiality and facilitate an open and effective learning atmosphere.

Faculty Supervision

Students receive program advising from the Office of Professional Doctoral Studies throughout the entire program of study. Upon completion of Project Methodology (80600), the student is assigned to a faculty supervisor. The supervisor is responsible for guiding the student’s progress through the Ministry Research Project or Research Thesis.

Registration

Students accepted into the Doctor of Educational Ministry program must register for their first seminar no later than one year after acceptance to the program.
After initial registration, a student is expected to register for seminars every term and for Contextualized Writing seminars for the first four semesters.

Unforeseen circumstances do at times require that students temporarily halt their studies. Any interruptions in study, however, are strongly discouraged. Students who must take some time off from the program of study must request permission for “Interrupted Status” from the Office of Professional Doctoral Studies at least one month prior to the first day of classes in the semester.

Length of Time Allowed
Students in the program are expected to pursue their degree concurrently with full-time vocational involvement in ministry. Students should expect to complete the program within three years. If a student takes longer than three years to complete the program, a continuation fee will be charged each semester beyond the initial six semesters (3 years). Under no circumstances shall a student extend the time of completion beyond six years (note that interrupted status will count against the six year maximum).

Minimum Grade Point
For each component of the program, a student must receive a minimum grade of “B−” (2.7 on a 4.0 scale). If a student receives a grade that is lower than a “B−” on any individual component, that component must be repeated. Furthermore, that student is placed on probation. If a student receives two successive grades that are lower than a “B−” the student will be terminated from the program.

Attendance
Due to the accelerated nature of the program, attendance is required at every session for the entire duration of the foundational seminars. Absence from any portion of any foundational seminar will necessitate retaking that seminar. Class participation will affect the student’s final grade.

Assignments
The nature of all seminars mandate that all assignments be completed on time, including any assignments to be completed before or after the seminar meets on campus. Failure to complete any work will result in a significant grade deduction. Faculty will work with students to maintain a submission schedule for all assignments.

Learning Outcomes
• Students will be able to demonstrate an advanced understanding and integration of ministry into various theological disciplines.
• Students will be able to demonstrate applied knowledge & skills pertinent to his/her vocational ministry.
• Students will be able to demonstrate the ability to use standard research tools and methods in the chosen field of study.
• Students will be able to research, plan, and implement a project relevant to his/her vocational ministry and to communicate the plan and its results effectively.
• Students will be able to contribute to the understanding and practice of ministry through the completion of a written project report suitable for inclusion in the seminary library.

Doctor of Ministry—Biblical Theology
Biblical theology is vital for understanding the Scriptures of the Old and New Testament. The D.Min. concentration in biblical theology at Southern will equip pastors and ministry leaders to understand the Bible in accordance with the intentions of its Spirit-inspired human authors. Jesus taught the authors of the New Testament how to understand the Old Testament, and Jesus himself learned to understand the Old Testament from the way the Old Testament Prophets interpreted Moses. Our aim is to understand and embrace the interpretive perspective that is reflected in the writings of the Old and New Testaments, the interpretive perspective Jesus taught his followers. This is what it means to pursue Christian interpretation of the Bible.

Our aim is to build on the foundation laid in the student’s Master of Divinity program by strengthening the student’s skill in the biblical languages and in putting the whole Bible together for the purpose of expository preaching that declares the whole counsel of God. To this end we will pursue a course of instruction that includes review of Greek and Hebrew, along with overviews of Old and New Testament Theology and the way the biblical authors interpret earlier Scripture. The written project that will serve as the capstone of this degree will be a biblical theological sermon series, manuscripts of sermons that set the biblical text being preached in the context of the Bible’s big story and themes.

Curriculum Plan
- Foundational seminars: 16 hours
- Contextualized Writing Seminar: 8 hours
- Research Project and Methodology: 8 hours
Total D.Min. credit hours: 32

**Research Doctoral Program Descriptions and Requirements**

**Master of Theology (Th.M.) Program**
The Master of Theology is a 24-26 hour degree that allows students to engage in intensive study that goes beyond the M.Div. level. The goal is to acquaint students with resources and research methods for a major area of study and offer focused time for reflection in preparation for ministry or advanced scholarship.

**Th.M. Tracks**
There are two different tracks available within the Th.M. program — Ministry Th.M. and Research Th.M.

The Ministry Th.M. is designed for students interested in furthering their M.Div. studies but who are not necessarily planning to do advanced studies beyond the Th.M degree. Ministry Th.M. coursework consists of 24 credit hours, which come from 2 introductory courses (Foundations for Theological Studies and Graduate Research Seminar) plus 5 advanced M.Div./Th.M. courses. The Ministry Th.M. is designed to cover broader categories of study than the Research Th.M. or Ph.D., enabling the student to round out their M.Div. education in preparation for ministry. Introduction

Purpose

The mission of the Billy Graham School of Missions, Evangelism and Ministry is to equip God-called individuals for theologically-grounded and skillfully-practiced ministry as missionaries, evangelists, church planters, and pastoral roles in the local church. The wide spectrum within these Christian servants function necessitates both comprehensive and highly specialized education. To meet the demand for comprehensiveness, students are exposed to a nucleus of courses and seminars that will enable them to think theologically and to make practical application. To meet the demand for specialization, each student has the opportunity to focus his or her interests in an area of specialized vocational preparation, including missions, evangelism, church planting, discipleship, worship leadership, and family ministry.

The Billy Graham School seeks to serve and to lead the denomination of which it is a part. While closely related to other academic and evangelical Christian communities, the focus of the Billy Graham School is Christian ministry in Southern Baptist churches and on mission fields around the world. Our primary endeavor, therefore, is to develop leaders who understand and appreciate the programs and agencies of the Southern Baptist Convention and are fully capable of contributing to the SBC through selfless service, academic research, and publication in these fields.

Overview of Academic Programs

Academic programs in the Billy Graham School consist of three types.

The most basic professional programs designed to equip qualified students for the practice of ministry are the Diploma programs, the Master of Arts degrees, and the Master of Divinity degrees (see pages 116-126).

The professional doctoral programs, designed to equip ministry professionals for a high level of excellence in the practice of education and discipling ministries, Christian leadership, church growth, and administration, are the Doctor of Ministry and Doctor of Educational Ministry degrees (see pages 126-132).

The research doctoral programs are designed to qualify advanced students for research and teaching, as well as for other leadership positions. These research doctoral programs include the Master of Theology, Doctor of Missiology, Doctor of Education and Doctor of Philosophy degrees (see pages 132-135).

These academic programs are offered through a variety of delivery formats to ensure viability of teaching methodology and provide optimum convenience for students. These delivery formats include: on-campus courses in semester format, on-campus courses in week-long (J-term) format, blended courses utilizing both on-campus instruction and online learning, extension courses at one of our 10 off-campus learning centers, online learning, and conference courses. Individual courses are offered in different formats based upon regular semester scheduling. Some course delivery options are not available for students in the doctoral programs.

Billy Graham School Goals

The programs in the Billy Graham School are offered to equip qualified students for the practice of the Great Commission and effective Christian ministry on mission fields and in local churches around the world. The goal of the faculty is for every graduate:

• To be a called disciple and minister of Jesus Christ, serving His Kingdom

Policies for Master’s Level Programs

Academic Advising

Academic advising is offered for new students during orientation. Academic advising is also available during the year. Students may contact the Center for Student Success.

Transfer of Credit

Students may receive transfer credit from accredited graduate schools or seminaries. A faculty administrator from the Billy Graham School evaluates official transcripts and determines the number of hours that may be applied toward the degree.

Courses accepted for transfer credit must be similar content and difficulty as a corresponding course at The Southern Baptist Theological Seminary. No grade below ‘C-’ from American institutions or ‘B-’ from international institutions will be accepted for transfer credit.

Field Education/Applied Ministry

The Field Education/Applied Ministry program of the Billy Graham School challenges students to learn through the practice of ministry while they are progressing through their degree program. The program is designed to integrate field experience with classroom instruction and includes the following requirements:

• A goal-oriented ministry process at an approved ministry site
• Reflections on personal ministry through the completion of various assignments
• A one-hour weekly field supervisory session with an improved ministry supervisor
• Careful attention to biblical, theological, and practical resources
Specifics of Field Education Course Selection
Field education is required for all students in master’s level programs. Students may select courses from the options given in the degree requirements section of their particular program of study. Field education or equivalent courses taken in excess of the stipulated field education requirements must be counted as elective credits.

In the Billy Graham School, students will have the option of selecting field education internships (44930-44945), as well as field education courses connected with specific disciplines: Evangelism (44935), Missions (44930), North American Church Planting (44940), International Church Planting (44945), Worship (40693-40694), Leadership (45190-45193), and Youth Ministries (46290-46293). M.Div. students in the Billy Graham School also have the option of completing the field education requirement through the Ministry Apprenticeship Program (MAP). This option utilizes ministry apprenticeships and integrative seminars in either outreach or leadership to contribute six elective hours to the student’s degree program. More information can be obtained online at map@sbs.edu

Enrollment Requirements
Students may take only one field education course (or its equivalent) in a single semester and it is recommended that they complete their field education requirements in their first six semesters of study. To enroll in any field education course, the following is necessary:
1. Successful completion of 40150 Personal Spiritual Disciplines
2. An approved title and ministry placement in an approved church or agency, requiring a minimum five hours in ministry service per week

Master of Divinity
with a Concentration in International Church Planting (2+ Program)

This program involves approximately two years of study on campus and two or three years of church planting in an international missions setting. The BGS and the International Mission Board cooperate together to guide students through the appointment process to become IMB missionaries and fulfill the remainder of coursework while serving on the international mission field. Students must apply to the IMB and SBTS simultaneously.

Reverse 2+ Program: This program is the reverse of the above program. Students spend two years doing church planting in an international missions setting, followed by two years of class work on campus. Specific coursework and timing are determined by the department chair for Evangelism and Missions in the Billy Graham School. Students in this program must be fully accepted at Southern Seminary and must communicate with the director of the program prior to going to the field.

Students interested in pursuing the M.Div./ICP should contact the department chair as soon as possible after admission.

Registration
Students accepted into the Doctor of Educational Ministry program must register for their first seminar no later than one year after acceptance to the program. After initial registration, a student is expected to register for seminars every term and for Contextualized Writing seminars for the first four semesters.

Unforeseen circumstances do at times require that students temporarily halt their studies. Any interruptions in study, however, are strongly discouraged. Students who must take some time off from the program of study must request permission for “Interrupted Status” from the Office of Professional Doctoral Studies at least one month prior to the first day of classes in the semester.

Length of Time Allowed
Students who enter the D.Ed.Min. program are expected to pursue the degree concurrently with their full-time vocational involvement in ministry and should plan on a minimum of three years of study with a maximum of six years. Students who take longer than four years will be assessed an additional fee for each semester of extension. Under no circumstances shall a student extend the time of completion beyond six years (note that interrupted status will count against six year maximum).

Minimum Grade Point
Students must earn a minimum grade of “B-” (2.7 on a 4.0 scale) for each component part of the D.Ed.Min. degree. If a student receives less than a “B-” on any individual component, that component must be repeated and the student is placed on probation. If a student receives two successive grades that are lower than a “B-”, the student will be terminated from the program.

Attendance
Due to the accelerated nature of the program, attendance is required at every session for the entire duration of the foundational seminars. Absence from any portion of the seminar will necessitate retaking the seminar.

Assignments
The accelerated nature of the program mandates that all seminar assignments be completed on time, including any assignments to be completed before or after the seminar meets on campus. Failure to complete any work will result
in a significant grade deduction. Faculty supervisors will work with students to maintain a submission schedule for all assignments.

**Doctor of Educational Ministry Program Description and Requirements**

Contextualized Writing Seminar
Contextualized Writing Seminars are designed so as to allow students to work toward the completion of their project while in seminars. This should allow students to write and receive approval for chapters 1-3 by the time he/she has completed their seminars and be on track to graduate in 36 months. In view of this goal, students will register for Contextualized Writing Seminar (80710) in each of their first four semesters in the program. This is a graded course which has fixed submission deadlines and for which the student must receive at least a B-. The outline below will briefly describe what each semester’s Contextualized Writing Seminar work will entail.

Research in the Practice of Educational Ministry
Eight hours of academic credit are awarded for successful completion of the research phase of study as specified below:
- 80600 Project Methodology ....................................................... 1
- 80853 Ministry Research Project .............................................. 8
- 80610 Intro to Doctoral Research and Writing ....................... 1

Project methodology courses provide preparation for the research project and interaction between students, faculty supervisors, and resource persons. During the courses, the student will write the proposal, which is a proposal of the project in which the student wishes to engage. To secure approval, the student must submit a project proposal to appropriate faculty members. Once the proposal has been deemed satisfactory by these selected faculty members, it will be forwarded to the School of Church Ministries doctoral committee and finally to the seminary faculty for ultimate approval.

Ministry Research Project
The ministry research project (course 80853) is the culmination of the program of study. Through a written report of 100-125 (+/-10%) pages, the student has the opportunity to apply professional knowledge and documented research into the context of ministry. The entire project is supervised by a committee comprised of the faculty supervisor and the professor who taught course 80600. Prior to beginning the ministry research project, the student must secure approval of a proposal.

To secure approval, the student must submit a project prospectus to the two-person committee mentioned above. Once this committee approves the prospectus, the Director of Professional Doctoral Studies will recommend the prospectus to the Associate Vice President for Doctoral Studies for recommendation to the faculty for final approval. The Director of Professional Doctoral Studies will recommend it to the Associate Vice President for Doctoral Studies for recommendation to the faculty for approval. Once these parties have accepted the proposal, the Director of Professional Doctoral Studies will recommend it to the Professional Doctoral Office and the supervisor for approval. Upon the proposal has been deemed satisfactory by these selected faculty members, it will be forwarded to the School of Church Ministries doctoral committee and finally to the seminary faculty for ultimate approval.

Research Thesis
The research thesis (course 80853) is an option for Professional Doctoral students with exceptional research and writing skills. This option differs from the ministry project in that it is a 125-150 page work driven by literary research towards the development and validation of a thesis statement applied to the broader church rather than a practical project geared towards a local ministry setting. Permission must be granted to present a research thesis in place of a ministry research project by submitting the following items: a Research Thesis Request Form; a 10-15 page exemplary research paper; and a 1 page abstract that includes the title, thesis statement, and general direction of the work. The Office of Professional Doctoral Studies and the potential supervisor will review these documents and determine whether the thesis request will be approved or denied. If approved, the student will write a thesis proposal in course 80600 and submit it to the Professional Doctoral Office and the supervisor for approval. Once these parties have accepted the proposal, the Director of Professional Doctoral Studies will recommend it to the Associate Vice President for Doctoral Studies for recommendation to the faculty for approval. The student then engages in research and writing to complete the thesis. Upon its completion, the student will defend the thesis before a committee of the faculty supervisor and a second professor approved by the Director of Professional Doctoral Studies.

Communities of Learning
Students are part of a community of learning that helps to foster collegiality and facilitate an open and effective learning atmosphere.

Faculty Supervision
Students receive program advising from the Office of Professional Doctoral Studies throughout the entire program of study. Upon completion of Project Methodology (80600), the student is assigned to a faculty supervisor. The supervisor is responsible for guiding the student’s progress through the Ministry Research Project or research thesis.

Doctor of Ministry—Biblical Counseling
The Doctor of Ministry degree with a concentration in Biblical Counseling is designed to equip ministry professionals for leadership in ministering and counseling from a biblical foundation. Specifically, the degree is designed for congregational ministers and others who serve in counseling roles. The Doctor of Ministry is a non-resident degree program that is intended for ministry professionals who desire further training but whose professional responsibilities do not allow them to suspend full-time employment to relocate in order to pursue an education.

Curriculum Plan
The program of study consists of four areas:
• Foundational seminars: 16 hours
• Contextualized Writing Seminar: 8 hours
• Project methodology: 2 hours
• Ministry research project: 6 hours
  Total D.Min. credit hours: 32

Foundational Seminars
Four on-campus foundational seminars, for a total of 16 credit hours, are required:
• 80551 Introduction to Biblical Counseling..............................4
• 80552 Methodology of Biblical Counseling...............................4
• 80553 Problems and Procedures of Biblical Counseling................4
• 80554 Marriage and Family Counseling...................................4

These seminars are not taken concurrently and may be taken in one of two ways. A student can enroll in the seminars when they are offered on the Louisville campus. Each seminar meets for four days during a winter or summer term. A student also can enroll in the seminars when they are offered at selected extension sites. Prior to the time the seminar meets, students are required to complete a significant amount of work (such as reading a minimum of 2500 pages plus completing written assignments).

• 80610 Intro to Doctoral Research and Writing.........................1

Ministry Research Project
The ministry research project, a written report of 100-125 (+/-10%) pages (course 80700), is the culmination of the program of study. Through the project, the student has the opportunity to apply professional knowledge and documented research into the context of ministry. The entire project is supervised by a committee composed of the faculty supervisor and the professor who taught course 80600. Prior to beginning the ministry research project, the student must secure approval of a proposal. **Policies for Research Doctoral Studies**

**Overview of Research Doctoral Programs**

Research doctoral programs in the Billy Graham School of Missions, Evangelism and Ministry are designed to give students of superior ability an opportunity to prepare themselves thoroughly for effective leadership in Christian thought and life, especially for pastors and teachers of Christian truth. The Master of Theology (Th.M.) and Doctor of Philosophy (Ph.D.) programs are designed to prepare students for advanced Christian scholarship and the application of scholarship to ministry.

**Areas of Study**

- Applied Apologetics
- Black Church Studies
- Christian Missions
- Christian Worship
- Evangelism and Church Growth
- Family Ministry
- Higher Education
- Leadership
- World Religions

**Research Doctoral Program Descriptions and Requirements**

**Policies for Doctor of Missiology Program**

**Doctor of Missiology (D.Miss.) Program**

The Doctor of Missiology program (D.Miss.) serves missionaries, practitioners, teachers, and administrators by providing advanced formal education, guided reading in pertinent missiological literature, field experience, mentoring, and supervision. Required mission trips allow students to apply classroom material in training national pastors and leaders.

**Faculty Supervision**

Each student in the Doctor of Missiology program is under the guidance of a faculty supervisor. The student is to request one of the Graham School graduate faculty as that supervisor. The faculty supervisor will advise the student in all matters related to the course of study, colloquium work, comprehensive examinations, and field research.

**Length of Time Allowed**

Students should allow at least three years of study to complete their program. Students who take longer than three years will be assessed an additional fee for each semester of extension beyond the three-year limit. Under no circumstances shall a student extend the time of completion beyond six years.

An exception to these time limitations may be granted to students who are international missionaries and who study only during their periods of stateside assignment.

**Minimum Grade Point**

For each individual component of the program, a student must receive a minimum grade of “B” (3.0 on a 4.0 scale). If a student receives a grade that is lower than a “B” on any individual component, that component must be repeated. Furthermore, that student is placed on probation. If a student receives two successive grades that are lower than a “B”, the student will be terminated from the program.

**Learning Outcomes**

- Students will be able to demonstrate the ability to conduct cross-cultural ministry at an advanced level.
- Students will be able to demonstrate the ability to use standard research tools and methods in the chosen field of study.
- Students will be able to plan and conduct research in the area of specialization and to communicate its results effectively.

**Doctor of Missiology Program Descriptions and Requirements**

The student is to complete the following with passing grades in order to graduate with a Doctor of Missiology degree.

**Program Requirements**

- D.Miss. Seminars .......................................................... 46 hours
- Guided Mentoship ..................................................... 6 hours
- Dissertation Writing and Defense ......................... 6 hours
- Total D.Miss. credit hours .......................................... 58 hours

The student is allowed considerable flexibility in the order in which required seminars are taken.

**Language Requirement**

A working knowledge of one modern language (other than English) is required. The faculty supervisor must approve the language. The decision as to the language to be learned will take into consideration the student’s area of specialization, the field language that is appropriate to his or her missions work, and particular needs. Students for whom English is a second language may substitute English for the modern language.

A student demonstrates a working knowledge of a language by earning a passing grade either in a non-credit course offered under faculty supervision or on a doctoral language proficiency examination.

**Comprehensive Examinations**

Comprehensive examinations are written examinations that correspond to the student’s doctoral study. Although doctoral seminars help to develop the student’s knowledge, they are not sufficient to acquire the breadth of knowledge that competency in a field mandates. Thus, preparation for comprehensive exams will begin immediately upon acceptance into the doctoral program and continue until the time that comprehensive examinations are taken. Guidance toward developing a plan of preparation for the exams
Master of Theology (Th.M.) Program

The Master of Theology is a 24-26 hour degree that allows students to engage in intensive study that goes beyond the M.Div. level. The goal is to acquaint students with resources and research methods for a major area of study and offer focused time for reflection in preparation for ministry or advanced scholarship.

Th.M. Tracks

There are two different tracks available within the Th.M. program — Ministry Th.M. and Research Th.M.

The Ministry Th.M. is designed for students interested in furthering their M.Div. studies but who are not necessarily planning to do advanced studies beyond the Th.M degree. Ministry Th.M. coursework consists of 24 credit hours, which come from 2 introductory courses (Foundations for Theological Studies and Graduate Research Seminar) plus 5 advanced M.Div./Th.M. courses. The Ministry Th.M. is designed to cover broader categories of study than the Research Th.M. or Ph.D., enabling the student to round out their M.Div. education in preparation for ministry. The Ministry Th.M. concentrations are: Biblical Theology & Exegesis; Missions & Evangelism; Philosophy, Worldview, & Apologetics; Practical Theology; and Theological & Historical Studies.

The Research Th.M. is designed for students interested in pursuing further studies, most likely a Ph.D. The Research Th.M. provides the opportunity to broaden and deepen the student’s knowledge in an area of concentration and to produce a significant research paper (thesis), which will be an important step in pursuing further studies. The Research Th.M. is designed as a three-semester course of study. The coursework consists of 26 credit hours, which come from 2 introductory courses (Foundations for Theological Studies and Graduate Research Seminar), M.Div./Th.M. courses, 2 Ph.D. seminars, and the writing of a master’s level thesis. The Research Th.M. concentrations are: Biblical Theology; Biblical Studies; Church History; Missions & Evangelism; New Testament; Old Testament; Philosophy; Worldview, & Apologetics; Practical Theology; and Systematic Theology. Both of the Ph.D. seminars and two of the three Th.M. courses must be taken within the concentration area in which the Th.M. is being earned.

Learning Outcomes

- The student will be able to plan research in an area of specialization and, where appropriate, will relate the work to the larger context of theological study.
- The student will be able to conduct research using standard scholarly tools and methods.
- The student will be able to communicate the results of his/her research effectively.
- The student will be able to demonstrate an advanced understanding of an area of specialization.

Research Th.M. Thesis

The Research Th.M. Thesis requires the student to produce a significant research and writing project consisting of 12,000 – 15,000 words in length, written under the supervision of a Th.M. Advisor.

Grading Policy

The minimum passing grade in any course taken for Th.M. credit is a “B-” (2.7 on a 4.0 scale). A student who earns a grade lower than a “B-” will lose credit for that course and will be placed on academic probation. The student may also be subject to an enrollment review.

Doctor of Education (Ed.D.) Program

The purpose of the Doctor of Education program is to equip men and women to serve as leaders in church-related educational institutions of higher education and in the educational ministries of the church.

Residency Requirements

The Doctor of Education degree is designed so that students are not required to relocate to the main campus. Two weeks of on-campus study are required.
each year, one week in summer and one week in winter. On-campus seminars are scheduled the last full week of July and the second full week of January each year. Thesis defense will require an additional visit to the campus.

**Length of Time Allowed**
The Doctor of Education degree is designed to be completed in thirty months. This time frame includes all seminars and the thesis. A student must enroll every semester until the thesis has been defended and accepted.

If a student requires additional time beyond thirty months, the student must petition for an extension. The petition must be submitted to and approved by the program director and the student’s faculty mentor. Students who are granted extensions will be assessed additional fees for each semester beyond the thirty-month limit. No student will be allowed to continue beyond forty-eight months in the program.

**Minimum Grade Point**
In order for a student to receive credit for a research seminar, he or she must earn a “B” (3.0 on a 4.0 scale). Any grade below a “B” results in loss of credit for the course. The student will be placed on probation. An additional research seminar grade below a “B” during the following term will result in termination from the program. Additional academic evaluations are conducted during the entire program of studies to ensure that the student remains capable of completing doctoral studies.

**Deficiencies**
At the time of admission, a student may be notified of academic deficiencies and the requirements needed to overcome the deficiency. Any such requirements must be completed before a student begins the program.

**Curriculum Plan**

**Learning Outcomes**
- Students will demonstrate a mastery of the educational disciplines that is rooted in a graduate-level understanding of the theological disciplines.
- Students will demonstrate the capacity to serve the church, the academy, and the world through leadership and teaching.
- Students will apply educational research to solve complex social and organizational problems.

**Comprehensive Examinations**
Before being scheduled for oral comprehensive examinations, students must successfully complete four foundational seminars and two advanced seminars.

Oral comprehensive examinations test the student’s capacities as a problem solver and practitioner scholar by focusing on the student’s ability to coordinate and to apply research findings related to his or her research focus. Although the student’s entire research team will be present for these examinations, answers are presented individually. The student’s primary mentor will present two questions; one of these two questions will relate to the student’s thesis topic. A practitioner in the student’s field of study will present a third question and will participate in the evaluation of the student’s answers to the mentor’s questions.

Each response from the student must last no more than twenty minutes but no fewer than fifteen minutes. The student may bring three pages of notes — single spaced with one-inch margins and with a typeface no smaller than twelve-point Times New Roman to the oral comprehensive examinations.

The student must successfully complete oral comprehensive examinations before his or her thesis prospectus can be approved.

**Thesis**
Each candidate for the Doctor of Education must successfully complete a thesis based on the candidate’s systematic inquiry into an area of advanced research.

During the first two foundational seminars, each student will be assigned a mentor and a research topic. The student will also become part of a team of individuals studying the same topic under the same mentor. Under the supervision of his or her mentor and in dialogue with fellow team members, the student will develop a research question that will form the foundation for his or her thesis. In selected seminars throughout the program, students will draft chapters in preparation for the completion of this thesis.

The theses developed within each research team will build on one another. Together, these interlocking theses will provide a solution to some particular problem or will demonstrate the validity of a particular approach to an education or leadership related issue.

**Thesis Prospectus**
Throughout the seminars, the student will develop in consultation with his or her mentor and with other faculty members, a thesis prospectus that includes the first chapter of the thesis and summarizes the student’s research question and strategy. The student will defend the thesis prospectus during the course 92070 Mentorship and Guided Research in a closed hearing with his or her mentor, one other faculty member, and the members of his or her research team.

The student may not engage in empirical research
with human subjects until the methodology has been approved by the Ethics Committee and until the thesis prospectus has been approved by his or her mentor and the seminary faculty.

**Thesis Defense**
The final thesis will focus on one particular research question and will be 20,000-25,000 words in length. The research for the thesis may be text-based or empirical.

The completed thesis will be defended in an open hearing scheduled and supervised by the student’s faculty mentor. The student’s thesis committee will consist of the faculty mentor and a practitioner in the field of study. The student’s research team will also be present for the hearing.

The thesis must also be presented to an external audience appropriate to the topic, such as (but not limited to) the faculty of an educational institution, a denominational association, an education-focused group within a state denominational convention, or a state or national gathering of educators.

To graduate, the student must receive a minimum grade of “B” (3.0 on a 4.0 scale) on the thesis. A grade of “B-” (2.7 on a 4.0 scale) or below will require the student to rewrite the thesis and defend again. Failure to pass the second submission and defense of the dissertation will result in forfeiture of the Doctor of Education degree. The thesis, upon completion, is submitted for copyrighting, digital preservation and binding.

It is anticipated that the combined theses from each research group will be published by an academic press with the group’s faculty mentor serving as editor.

**Doctor of Philosophy (Ph.D.) Program**
The Ph.D. is the highest degree offered in North America. Building on a long heritage at Southern, this program equips students for advanced scholarship, effective teaching, and missional service in the church and academy. The program is intended to qualify graduates for college or seminary teaching. It may also be used to equip students for the pastorate and other church-related ministries.

**Curriculum**
The Ph.D. program is built on three distinct stages through which the student will advance: Th.M. Stage, Ph.D. Stage, and Ph.D. Candidacy.

Due to the rigorous and structured format of the Ph.D. program, students will earn a Th.M. in a related field in route to earning the Ph.D.

Students will begin the program under the guidance of an assigned Advisor. Upon successful completion of the first stage of the program they will be assigned their official Ph.D. supervisor who will guide them through the rest of the program.

The Ph.D. can be earned in several different areas of concentration, which at times have slight variations in requirements based on the field of study. The Ph.D. program consists of a Major area of concentration and a Minor area, the latter of which will be the focus on the earned Th.M. degree during the first stage of the program.

Possible areas of concentration for the Major are:
- Apologetics & Worldview*
- Applied Apologetics*
- Biblical Counseling*
- Biblical Spirituality*
- Biblical Studies

- Philosophy, Worldview, & Apologetics*
- Theological & Historical Studies

* These concentrations are offered in a modular format.

The Ph.D. course of study consists of several aspects: Seminars; Colloquia; Guided Mentorship; Research Languages and/or Research Methodology; General Education Courses (Foundations for Theological Study; Graduate Research Seminar; Teaching in Higher Education Contexts); Comprehensive Exams; Prospectus Hearing; and a Dissertation. Per approval some coursework can be completed through Independent Study, either at Southern or through another approved institution.

For most of the areas of concentration students will take 5 seminars in their Major and 3 in the Minor. (Some concentrations require 4 and 4, respectively.) For most areas of concentration students will take 4 colloquia in their field as well as the Guided Mentorship class. All students will take the FTS, GRS, and THEC classes (with the exception of the THEC class for Higher Education majors). All students will take comprehensive exams that cover both their Major and Minor, including proficiency in biblical languages where required. All students will be required to present and defend their dissertation proposal prospectus during a scheduled departmental colloquium. All students will write a dissertation that demonstrates the ability to conduct and report on original research.
All students will be required to demonstrate proficiency in research languages and/or research methodology courses (Statistics; Research Methodology; Empirical Research.)

For variations on these requirements please refer to the current Ph.D. Student Handbook.
