“And God is able to provide you with every blessing in abundance, so that you may always have enough of everything and may provide in abundance for every good work.”
– 2 Corinthians 9:8

Since its inception in 1859, Southern Seminary has attempted to keep student costs as low as possible. Gifts from thousands of SBC churches and faithful individuals, given directly and through the Cooperative Program, provide the major funding for the operational budget of the seminary and enables Southern Seminary to defray a major portion of the academic cost for Southern Baptist students. Enrolling students pay a flat, per-hour course fee. Southern Baptist students pay one-half the amount of fees paid by non-Southern Baptist students. This is an investment in the future ministerial leadership of Southern Baptist churches.

The Financial Aid program is established to assist those with the most pressing financial needs. A student's preparation for entering Southern Seminary should include a determination of financial needs and the provisions for meeting them since scholarship awards are not capable of providing the total budget needs of any student or student family.

Short-Term Loans

Short-term loans are available in the Office of Student Resources to students who face emergency situations. These loans are to be repaid within six months of issue.

Emergency Aid

At times a student may face an unexpected crisis caused by serious illness, death, or some other unforeseen circumstance. At such times, Southern Seminary seeks to assist with clothing, food, or a grant that does not need to be repaid. All emergency aid situations should be directed to the Office of Student Resources.

Spouse/Dependent Refund

A spouse or dependent of a full-time student may be eligible for a 50% refund of net tuition charges (gross tuition charges less any Seminary-provided financial aid) by completing a request for refund form with Accounting Services by the applicable due date. Refunds are applied after mid-point in the semester. Therefore, full-payment is required at the beginning of the semester. Please review full policy guidelines in the Academic Information area of the catalog.

Tuition Assistance from Other Sources

The Office of Student Resources publishes a list of scholarships from home states. This list is available on the website at www.sbts.edu. A scholarship search engine is also available on e-campus.

Churches or individuals wishing to support specific students at Southern Seminary may send checks that are non-tax deductible to the Office of Student Resources. Anyone wishing to give a tax-deductible donation towards student scholarships should contact Institutional Advancement. Tax-deductible donations can be made to the seminary, not individual students.

Federal or State Student Aid Programs

Southern Seminary does not participate in any federal or state student aid programs for loans or grants. Other loan information is available from the Office of Student Resources. Government loans already issued for previous educational experience may be deferred through the Academic Records office after registration. Specific course load requirements may be obtained from the loan company. Enrollment verifications may be obtained from E-Campus.

Veterans' Benefits

The Southern Baptist Theological Seminary is an accredited school recognized by the Veterans' Administration. Through the Veterans' Administration, entitled veterans may receive financial assistance for education. Since eligibility criteria and benefits are different for each veteran's educational assistance program, potential students should contact the Veterans' Administration Regional Office to determine eligibility prior to enrolling in Southern Seminary.

A potential student who wishes to receive veterans' benefits must be certified. To be certified, that potential student must apply to Southern Seminary, meet all admissions criteria, be accepted as a student into a degree program, and register for classes. Once he or she has done so, the student must notify the Academic Records office. Academic Records will then contact the Veterans' Administration Regional Office or vocational rehabilitation counselor and indicate that the person is certified, enrolled, and is pursuing an approved degree program of education. Academic Records must be contacted by the student after registration to be certified for that semester/term.

Vocational Rehabilitation

The Southern Baptist Theological Seminary is an accredited school that is recognized to provide education for students undergoing vocational rehabilitation. The student is responsible for initiating the process for receiving vocational rehabilitation with his/her vocational rehabilitation counselor.

Accounting must be contacted by the student after registration for that semester. Questions concerning vocational rehabilitation billing should be directed to the Accounting Office.
