- Courses coded in **blue** are required for all M.Div. programs (58 hours).
- Courses coded in **green** are required for at least one M.Div. program and can generally be counted as electives in other programs (12 hours).
- An average of nine hours per semester on site = 7-8 semesters (3.5 – 4 years, depending on remedial work) to complete the rotation. This would be equivalent to 70 hours credit, including 2 hours for Applied Ministry at some point (note that 40010 Personal Spiritual Disciplines is a prerequisite to Applied Ministry). However, the Association of Theological Schools, one of the seminary's accrediting agencies, allows Chicago Extension Center students to take no more than 50% of his/her courses at the Chicago site, or 44 credit hours for an M.Div. degree program. Additional credit requirements may be met with online courses (up to 30 hours may be earned online) or by taking courses at the main campus. At least 18 hours must be taken in Louisville, either in J-term courses or in residency.
