

ThM Extra Hour of Credit Contract

Course Title and Number _____

Name of Student _____ Student ID Number _____

Address or SBTS Box _____

Semester _____

Name of Professor _____

ThM students may take MDiv electives for an extra hour of credit. The professor should assign extra work equivalent to the extra credit. Below or on an attached sheet, outline the work to be required and its evaluation. If the extra work required for Th.M. students is specified in the course syllabus (it must be explicitly designated as additional work for Th.M. credit or as additional work for a fourth hour of credit), you may attach a photocopy of the relevant page to this sheet. These pages need to be attached before the Associate Vice President will sign the form.
