**Notes:** Required courses are in hold face type. All non J-Term courses are six weeks in length. Terms I-II meet consecutively from late August through mid-November. Terms III-IV meet consecutively from late January or early February through late April. Specific dates are available on course descriptions on our webpage as well as on Moodle where students register. A one week break is scheduled in the fall and in the spring, with a 2 week spring break in even numbered years. J-Term classes meet all day during January in odd numbered years only. Specific J-Term dates are published by mid-November.

We offer a Wednesday morning section of Discipleship I-II each fall. An elective will be offered on Wednesday morning during one of the two spring terms. Wednesday morning classes for the first year of the current schedule are marked with an \*. A minimum number of students must commit to take the course for it to be offered. Students may take both the Wednesday morning class and a Thursday night class simultaneously, if desired. Limited childcare will be available for AM classes as well as all PM classes.

We suggest you attempt to plan your course selection for the next three years so you will be sure to complete the required courses and be able to choose your electives accordingly. The schedule is subject to change as new courses are added.
